## **Post Communist Romania Coming To Terms With Transition:**

**Post-Communist Romania** D. Light, D. Phinnemore, 2001-02-02 Drawing on contributions from various disciplines this up to date collection analyses Romania's experiences of the transition from the harsh realities of the Ceausescu dictatorship to the uncertainties of the efforts to consolidate democracy and introduce a market economy With its focus on Romania's progress in coming to terms with the legacy of its communist past the realities of pluralism the introduction of a market economy and the challenge of European integration the volume will be key reading for academics students and practitioners interested in transition and Romania *Transitional Justice in Post-Communist Romania* Lavinia Stan, 2013 This is the first volume to overview the complex Romanian transitional justice effort detail the political negotiations that have led to the adoption and implementation of relevant legislation and assess these processes in terms of their timing sequencing and impact on democratization Post-Communist Romania at Twenty-Five Lavinia Stan, Diane Vancea, 2015-06-24 2014 marked the 25th anniversary of the collapse of communist regimes in Eastern Europe The events of 1989 are widely seen as having ushered in new all encompassing reforms in almost all areas of life In few other places were reforms more contested and divisive than in Romania a country that suffered greatly under the sultanistic cum totalitarian dictatorship of Nicolae Ceausescu faced the region's only bloody anti communist revolt and as such had the longest to travel on the road from communism to democracy We now have a generation's worth of experience with these wrenching reforms that have deeply affected Romania's political institutions and political culture and ultimately allowed it to become a member of the coveted European Union club This volume gathers key lessons for democratic theory and practice from Romania's first twenty five years of post communist transformation Written by leading experts in the field of Romanian Studies the chapters focus on the most important factors that have shaped the country's political transformation during the first 25 years of post communism

**Elections, Parties and Representation in Post-Communist Europe** F. Millard, 2016-01-08 Elections Parties and Representation in Post Communist Europe 1990 2002 stresses the ways in which the development of political parties affected the quality of democracy the nature of political representation and political accountability in the early stages of post communist politics It also analyzes the nature and consequences of the corpus of parliamentary candidates and deputies for the representation of social classes women and minorities In contrast with the wide social profile of communist parliaments politics largely became the playground of new highly educated male elites **The Handbook of Political Change in Eastern Europe** Sten Berglund, 2013-04-01 Lots has changed in Eastern Europe in the past quarter century and the new edition of this major study of the region sets out these changes in directions for the better and for the worse Richard Rose University of Strathclyde UK This Handbook offers a historically informed systematic account of the political development in Central and Eastern Europe Two chapters lay out a framework for comparison 26 specialists provide analyses for 19 countries In an appendix each of these country chapters documents election results government composition the electoral

system and the constitutional framework The concluding chapter synthesizes the major results The Handbook is the most comprehensive source for an up to date analysis of all Central and Eastern European countries within the sphere of influence of the European Union It is a must have for students and scholars interested in how to evaluate the state of democracy in this region of the globe Hans Dieter Klingemann New York University Abu Dhabi UAE and Social Science Research Center Berlin Germany This third edition of The Handbook of Political Change in Eastern Europe provides an authoritative and thorough analysis of the political changes which have occurred in Central and Eastern Europe since the demise of communism It offers an historical comparative perspective of the region and focuses on the social consequences of the democratisation process The country specific chapters are written by scholars with well documented area expertise on their respective cases Estonia Latvia Lithuania Poland The Czech Republic Slovakia Hungary Slovenia Romania Bulgaria Croatia Bosnia Serbia Montenegro Macedonia Albania Ukraine Moldova and Georgia Each chapter includes detailed examinations of elections the formation of governments electoral systems and constitutional arrangements These in depth and up to date analyses are supplemented by conclusions on the party systems and emerging political structures in the region as a whole as well as the consolidation of democracy in a post communist setting The revised and expanded version of The Handbook of Political Change in Eastern Europe provides a state of the art companion which will be indispensable for students and scholars in the social sciences including political science comparative politics European studies and political history as well as for policy makers and practitioners

**The Balkans** Mark Biondich, 2011-02-17 Examines the origins of political violence in the Balkans since the 19th century while treating the region as an integral part of modern European history reminding us that political violence and ethnic cleansing are hardly unique to this region

**Black Sea Politics** Ayse Ayata, Ayca Ergun, 2005-09-23 Directly relates to current Ukraine crisis Russia's Black Sea fleet is based in Ukrainian port of Sebastapol Crimea This work brings together scholars from a variety of disciplines on a region vitally important in current international relations for Europe Russia and the Near East offering fresh perspective combining regional insiders and outsider international experts If ideas of civil society democratisation are Western in nature then how should one examine these trends in a non Western society This book presents a variety of experiences of civil society looking at representation participation and power relations in countries such as the Ukraine Romania Bulgaria and the Caucasus area It is a rare combination of insider perspectives of regional experts and the outsider views of international experts

The Transition from Communism to the European Union David Turnock, 2009 Offers an overview of economic change in Romania and studies the transformation in industry energy and agriculture drawing on fieldwork in different parts of the country This book is suitable for students and researchers in the fields of regional economics and post communism and readers with an interest in Romania the Balkans or the EU

**Transitional Justice in Aparadigmatic Contexts** Tine Destrooper, Line Engbo Gissel, Kerstin Bree Carlson, 2023-03-23 This book explores the practical and theoretical opportunities as well as the challenges raised by the expansion of

transitional justice into new and paradigmatic cases The book defines transitional justice as the pursuit of accountability recognition and or disruption and applies an actor centric analysis focusing on justice actors intentions of and responses to transitional justice It offers a typology of different transitional justice contexts ranging from societies experiencing ongoing conflict to consolidated democracies and includes chapters from all types of paradigmatic contexts This covers transitional justice in states with contested political authority shared political authority and consolidated political authority The transitional justice initiatives explored by the wide range of contributors are those of Afghanistan Belgium France Greenland Denmark Libya Syria Turkey Kurdistan UK Iraq US and Yemen Through these paradigmatic case studies the book develops a new framework that appropriate to its expanding reach allows us to understand the practice of transitional justice in a more context sensitive bottom up and actor oriented way which leaves room for the complexity and messiness of interventions on the ground The book will appeal to scholars and practitioners in the broad field of transitional justice as represented in law criminology politics conflict studies and human rights The Introduction Chapter 8 and the Concluding Remarks of this book are freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license

**The Romanian Journal of Society and Politics**, 2001 *The Bibliography of Romanian Nationalism & Ethnicity in Western Languages* Sorin Mitu, 2008 **Dampening the Powder Keg** Mihaela Mihailescu, 2007 Democratization in Eastern Europe prompted warnings about the risks of the process for the many multi ethnic countries of the region Yet the Yugoslav tragedy remains the exception rather than the rule in understanding interethnic relations This work analyzes post communist Romania and Slovakia two multi ethnic countries that have steered clear of interethnic violence despite the absence of institutions specially designed to manage interethnic relations despite the exclusion of ethnic minorities from government and despite quasi majoritarian political environments In the two studied cases interethnic opposition coalitions resulted from the adoption of basic democratic political institutions which constrained actors across the ethnic divide to cooperate More broadly this work questions the notion that multiethnic countries are unlikely candidates for peaceful democratization and suggests that as long as participation in democratic processes either in government or in opposition is possible for ethnic minorities violent conflict can be averted The argument is of interest to both scholars of conflict and peace studies and to policy makers involved in conflict prevention

*EU Expansion to the East* Hilary Ingham, Mike Ingham, 2002 This highly topical book discusses the potential enlargement of the EU to embrace the countries of Central and Eastern Europe and the enormous challenges opportunities and threats this poses for parties on both sides Understanding of the diversity of the issues raised even by an experimental expansion is limited and rarely extends beyond the concerns voiced in a particular policy arena This volume brings together contributions from specialists across the spectrum of the social sciences who consider the possible outcomes of expansion per se The authors consider the countries to which membership might rationally

be extended and discuss the future of a Union that continues to be exclusive but which must advance in the context of the overall march of globalisation The contributions from numerous disciplines are complementary and include both macro and micro perspectives EU Expansion to the East is designed to be accessible to all scholars of European affairs as well as those interested in transition and policymakers at national regional and local levels Neuerwerbungen der Bibliothek, 2002

*States of Mind* Dan Perjovschi, Andrei Codrescu, Marius Babias, 2007 Published in conjunction with the exhibition States of mind Dan and Lia Perjovschi Nasher Museum of Art at Duke University Aug 22 2007 Jan 7 2008 **Globalization, Democratization and Development** Vojmir Franičević, Hiroshi Kimura, 2003 **The Media Coverage of the Romanian Revolution** Andreea Raluca Maierean, 2006 **The Far Right in Europe** Peter Davies, Paul Jackson, 2008-08-30 The Far Right in Europe An Encyclopedia brings together up to date information on all the major and many minor European far right parties tracing their historical roots describing their policies personalities and activities and exploring the links between them Longer contextual essays written by a team of experts debate regional and ideological traditions Scholarly but accessible there is no better introduction to the alarmingly vigorous contemporary tradition of far right groups in Europe BOOK JACKET Slavic Review, 2002 American quarterly of Soviet and East European studies varies **Nation-building and Contested Identities** Balázs Trencsényi, 2001
