A Postillion Struck by Lightning Dirk BOGARDE,1995 **Postillion Struck by Lightning** Dirk Bogarde,1994 **A Postillion Struck by Lightning** Dirk Bogarde,1988 Dirk Bogarde's first volume of autobiography published originally in 1977 traces the first steps of a young actor who went on to achieve worldwide acclaim. It details not only his early stage experiences but also some evocative scenes from his childhood in Sussex where his family lived in a cottage in the South Downs.

Many a True Word Richard Anthony Baker,2013-10-10 What are the top one hundred words we use the most? How should anchovy chastisement and tryst be pronounced? How good are you at spelling the most commonly misspelt words and names? For the answers to these and questions and much more sit back and let Richard Anthony Baker take you on a journey through the English language. Marvel at the richness of what we derive from French and German, bristle at the words banned in the Daily Telegraph, laugh at the officialese of corporate writers, bone up on our use of language from William Shakespeare and the Bible in our day to day talk, absorb Richard's master classes on how to win at Scrabble with devastating ease and how to complete cryptic crosswords with impressive alacrity and test your linguistic agility by trying to answer the five questions which Google puts to job applicants.

Graham Sutherland Rosalind Thuillier,2015-05-28 A compelling biographical study of a leading twentieth century British artist. Graham Sutherland: Life, Work and Ideas offers new insight into how he and his paintings developed. In the culmination of her life's work, Rosalind Thuillier builds on the reflections and recollections of a friendship spanning decades to craft a comprehensive study of Sutherland's life and works, interweaving his perceptive responses to his own art taken from personal notes and correspondence with critical reviews and collectors' musings to give an authentic picture of the man whose work divided critics. Drawing on Sutherland's personal archive, the book includes an expansive collection of images that provide a fresh view of the artist. Studies by Sutherland along with preparatory works for what would become renowned paintings are published for the first time. Graham Sutherland's distinctive style and the emotions that shaped the paintings are here vividly explored. Thuillier describes not only the inspiration he found in the windswept Pembrokeshire countryside but also his time as an official war artist and his friendships inside and outside the art world. She expertly details the process behind the creation of works such as the controversial portrait of Churchill (1954, subsequently destroyed) and his most famous work, the huge Christ in Glory in the Tetramorph tapestry (1962, in Coventry Cathedral). Graham Sutherland: Life, Work and Ideas is not merely a biography but a journey behind the scenes of the artist's career, exploring the paintings, relationships and influences that formed his vision as an artist and his undeniable contribution to art.

Dirk Bogarde John Coldstream,2011-09-08 Biographies only tend to be definitive until the next one comes along, but there's no danger of Coldstream's erudite moving analysis ever being superseded.

INDEPENDENT ON SUNDAY As an actor, Dirk Bogarde was a Rank contract artist and matinee idol who became a giant of the intellectual cinema, working on films such as *Death in Venice*.

The Servant and Providence Fiercely protective of his privacy and that of his partner of 40 years he left England in the 1960s to live abroad where he carved a second career for himself as a bestselling author Although Bogarde destroyed many of his papers John Coldstream has had unique access to his personal archives and to friends and family who knew him well The result is a fascinating biography of a complex and intriguing personality Ever, Dirk John Coldstream, 2011-09-08 The hitherto unpublished Dirk Bogarde the best of his marvellous letters The success of John Coldstream's bestselling biography of Dirk Bogarde demonstrates that the interest in one of Britain's leading actors memoirists and novelists does not diminish even though it is a decade since his death Bogarde was a secretive man who destroyed many of his own papers and diaries Fortunately the recipients of his letters treasured them enabling John Coldstream to bring together this fascinating collection of hitherto unpublished material Bogarde wrote to each correspondent according to the nature of the friendship but invariably he was frank gossipy funny and often malicious The joy of writing particularly as he grew older and chose to live in France was never far away The letters display the qualities familiar to those who knew the private Bogarde acute observation laser like intelligence impatience with the foolish compassion for the needy a relish for the witty metaphor and a catastrophic disdain for correct spelling and punctuation Above all to read his letters is to hear him talk and no conversation with Dirk Bogarde was dull Recipients included the film director Joseph Losey Bogarde's first publisher Norah Smallwood the film critic Dilys Powell and the novelist Penelope Mortimer *British Novelists Since 1960: A-G* Jay L.
