Encyclopedia of Postmodernism Victor E. Taylor, Charles E. Winquist, 2003 Provides comprehensive and authoritative coverage of academic disciplines critical terms and central figures relating to the vast field of postmodern studies Publisher's description

Beginning Postmodernism Tim Woods, 1999-08-20 Postmodernism has become the buzzword of contemporary society Yet it remains baffling in its variety of definitions contexts and associations *Beginning Postmodernism* aims to offer clear accessible and step by step introductions to postmodernism across a wide range of subjects It encourages readers to explore how the debates about postmodernism have emerged from basic philosophical and cultural ideas With its emphasis firmly on postmodernism in practice the book contains exercises and questions designed to help readers understand and reflect upon a variety of positions in the following areas of contemporary culture philosophy and cultural theory architecture and concepts of space visual art sculpture and the design arts popular culture and music film video and television culture and the social sciences

Illuminating Social Life Peter Kivisto, 2012-11-02 The sixth edition of Peter Kivisto's popular anthology *Illuminating Social Life* continues to demonstrate to students how social theories can help them make sense of the swirling events and perplexing phenomena that they encounter in their daily lives A perfect complement for sociological theory courses this updated edition includes 13 original essays by leading scholars in the field that help students better understand and appreciate the relevance of social theory Once again Peter Kivisto's collection illuminates the connection between sociological theory and the realities that students are faced with every day from the Internet alcohol use and body building to shopping malls the working world and fast food restaurants Contributor to the SAGE Teaching Innovations and Professional Development Award

Critical Medical Anthropology Merrill Singer, Hans Baer, 2018-10-26 The purpose of this book is to provide an introduction and overview to the critical perspective as it has evolved in medical anthropology over the last ten years Standing as an opposition approach to conventional medical anthropology critical medical anthropology has emphasized the importance of political and economy forces including the exercise of power in shaping health disease illness experience and health care

Reconstructing Postmodernism Jason L. Powell, Tim Owen, 2007 There has been an array of literature on the notion of postmodernism in social science literature in recent years This exciting book focuses on three broad continuities one debunking the central theoretical tenets of postmodernism with reference to identity methodology governance and modernist theory two the book engages with current social issues and events in popular culture for example film professional power masculinity and terrorism three the book also rethinks postmodernism in light of under researched variables of analysis of time and ageing the body biology and choice

Into the Postmodern Imaginary David Ernest Boyns, 2004 *International Encyclopedia of Human Geography*, 2019-11-29 International Encyclopedia of Human Geography Second Edition Fourteen Volume Set embraces diversity by design and captures the ways in which humans share places and view differences based on gender race nationality location and other factors in other words the things that make people and places different Questions of for example politics economics race relations and migration are introduced and discussed through a geographical lens This updated edition will assist readers in their research by providing factual information historical perspectives theoretical approaches reviews of literature and provocative topical discussions that will stimulate creative thinking Presents the most up to date and comprehensive coverage on the topic of human geography Contains extensive scope and depth of coverage Emphasizes how geographers interact with understand and contribute to problem solving in the contemporary world Places an emphasis on how geography is relevant in a social and interdisciplinary context **Ezra Pound's (post)modern Poetics and Politics** Roxana Preda, 2001 Ezra Pound the poet called the contemporary of our grandchildren has exercised enormous influence on the development of American poetry and criticism This impact on the world of letters is only grudgingly acknowledged today since it comes from a poet tainted by fascism and anti-Semitism This book follows the contours of our love for his poetics and hate for his politics juxtaposing Pound's work to postmodern theory The contrasts prevail in the relation of language to reality in the moral and political commitments and in the vision of history At the same time Pound's poetic practices particularly his collage techniques and series of Englishes overflowed his political ideology It is this overflow that makes him so fascinating to intellectuals and the main reason we study his work with respect now Wascana Review of Contemporary Poetry and Short Fiction, 2002 **Postmodern Philosophy and Law** Douglas E. Litowitz, 1997 The author presents a two tiered analysis that views postmodern legal thought as both a collective intellectual movement and as the work of particular theorists notably Friedrich Nietzsche Michel Foucault Jacques Derrida Francois Lyotard and Richard Rorty He concludes that even though postmodern thought does not give rise to a normative theory of right that can be used as a framework for deciding cases it can focus attention on genealogy and discourse and can empower those who have been denied a voice in the legal system Annotation copyrighted by Book News Inc Portland OR Modernity and Postmodern Culture Jim McGuigan, 1999 *Amerikastudien*, 1974 Postmodernism and the Search for Enlightenment Karlis Racevskis, 1993 Drawing largely on the work of Foucault Racevskis elucidates the philosophical and political problems at issue in the debate and the changes taking place in our ways of seeing ourselves and our relations with others He shows how the theme of enlightenment has been a central component in the conflicts that pit modernists against postmodernists Marxists against post Marxists and liberals against conservatives and he juxtaposes the arguments in such a way as to place reason and enlightened action in a new perspective **Postmodernist Culture** Steven Connor, 1997-01-23 This 2nd edition of Postmodernist Culture considers the work of Lyotard and Jameson and the way modern theories are impinging on more areas

of culture including the law music dance ecology technology ethnography and spatial theories **Postmodernism** Maxwell Lincoln Anderson, 2003 Transcript of an online symposium on the Georgia O Keeffe Museum website Oct 1 14 2001 The Modern Postmodern Dialectic American Art and Culture 1965 2000 Intended to be a follow up to the symposium Defining American Modernism 1890 present held in Santa Fe at the opening of the Georgia O Keeffe Museum Research Center July 12 14 2001 *Representation and Decoration in a Postmodern Age* Alfred Hornung, Rüdiger Kunow, 2009 The contributions to this volume by European and American critics analyze different forms of representation and decoration in twentieth century American literature and the arts from the critical perspective of a postmodern age They range from theoretical discussions of non representational art forms and the defense of literary representation against deconstructive practices to the manifestation of political representation in postcolonial works The displacement of decorative elements in modern art and the resurgence of decoration in postmodernism is the focus of articles on modern American and contemporary ethnic painters as well as on American postcards The interaction of representative and decorative techniques provides the basis for new readings of literary texts and for the analysis of technological intelligence *Envisioning a Decolonial Future* Elsa del Campo Ramírez, 2019 *Life in a Postmodern Culture*, 1995 During the past decade postmodernism has become a much used buzz word For example one hears and reads about postmodern architecture postmodern films a postmodern economy and so forth What precisely is meant by this term Life in a Postmodern Culture attempts to answer this question In the introduction to the book the relation between the modern and the postmodern world is pointed out Following this the significance of postmodernity to various dimensions of life is examined These dimensions include politics art theology economics language science ethics and the cinema
