*Only When I Laugh*, Doctor Robert Clifford, 2015-01-08 An omnibus edition of Oh Dear Doctor Look Out Doctor and Surely Not Doctor this volume follows the further exploits of Dr Bob Clifford in his country practice on the Somerset coast Small though the town of Tadchester may be nobody could accuse it of being sleepy Not when stream of patients flocking to the surgery include Mrs Short with her secret addiction the absent minded incontinent vicar of St Peter s the little greengrocer for whom an operation could restore marital duties with his huge bowler hatted wife not forgetting the entire rugby team from Drake s College who develop a mysterious and embarrassing ailment after an away match at a London night club And even off duty life of Dr Bob is far from dull Especially when it involves ailments at a writers summer school a camping holiday in France with his elderly eccentric father in law and ironically a spell in hospital Surely Not, Doctor! Robert Clifford, 2014-10-02 Doctor Bob s country practice is in Tadchester on the Somerset coast but no one can accuse the town of being a sleepy little backwater All human life is there with its quirks colour comedy and richness There s the absent minded incontinent vicar of St Peter s the well known London publisher whose dog has more taste than most the lady magistrate who travels for miles for a doctor with warm hands and the packet of suppositories which prompts a bomb scare Then there s the hairdresser with a penchant for male strippers and the whispering journalist who learnt how to shout Even off duty Doctor Bob s life is full of incident and he himself ends up with a long spell in hospital It all goes to show that truth can be so much stranger than fiction The Royal Belfast Hospital for Sick Children Harold Love, 1998 A recounting of the period of momentous change in pediatric medicine in one of the world s most famous children s hospitals **Seventh Book of Junior Authors & Illustrators** Sally Holmes Holtze, 1996 Contains more than two hundred sketches of authors illustrators and a translator of children s books who have come to prominence since the publication of the previous book **Book Review Index**, 2002 Every 3rd issue is a quarterly cumulation **Children's Book Review Index** Gary C. Tarbert, 2002 **Sweetie** Jenny Tomlin, 2008-09-04 It is the summer of 1976 the hottest summer on record In the heart of London s bustling East End lies a tight knit community of families They lead a very traditional way of life the men are down the pub the women are gossiping at the toddler group in the working men s club and the children stay out late in the long summer evenings playing in the park and roaming the streets carefree In the sweltering heat Grace Ballantyne leaves her son Adam playing in his toy car in the garden When she returns she finds the door to the car open and her four year old son is nowhere in sight As Grace frantically searches panic creeps in and so the nightmare begins A series of horrific assaults on young children spreads through the neighbourhood each one more brutal there is only so much this close community can take As they cling to one another for hope and survival the men beat up the school caretaker who they believe to be the perpetrator of this twisted abuse But have they got the right man Finally it is the women who take control In a battle to protect their families and seek revenge they make sure the attacker gets his just desserts *The Potty Panto* Scoular
