

Wealth And Poverty

Open doors and walls to high sun rise,
his seeds the other sought.

What one wants the other has,
strange Gods some people have.

One has worked his life away,
the other's money made.

Giving out to those to small a father,
mows their hay.

Gifts one gave his heart away,
each day he made his way.

Being poor the other thought,
free men can't work for free.

Poverty And Wealth In James:

Poverty and Wealth in James Pedrito U. Maynard-Reid, 2004-10-29 A sociological reading of the New Testament texts continues to gain momentum Maynard Reid has now added an important contribution to that growing corpus which amounts to a re reading of the text The author is aware of the methodological problems of relating sociological theory to detailed exegesis While the author is attentive to and knowledgeable about such theory the book consists primarily in four careful disciplined tightly reasoned fully documented exegeses The case is carefully built to evidence a community summoned to an ethic that had dangerous public economic implications It is obvious that a new set of questions permits the text to have a new voice one we must learn to hear and heed Walter Brueggemann Professor Emeritus Columbia Theological Seminary By holding the biblical text within a clear social focus the author is able to assess soberly the merits and limitations of previous exegetical treatments of the Epistle of James By a thoroughgoing practice of grammatical criticism Maynard Reid sharply illuminates the class option of this epistle on behalf of suffering Palestinian poor in the period before the fall of Jerusalem in 70 C E Norman K Gottwald Professor of Old Testament Pacific School of Religion Pedrito U Maynard Reid gives us a superb introduction both to the book of James and to the sociological study of the New Testament He argues convincingly that James comes to us from a situation of oppression and thus is united as a theology of suffering heidensteologie specifically the suffering of the poor and oppressed Thomas Hanks Professor of Old Testament Seminario Biblico Latinoamericana San Jose Costa Rica Maynard Reid has treated the subject thoroughly Readers of this book will stop pushing camels through the eye of the needle Abraham Terian Professor of Armenian Patristics St Nersess Armenian Seminary New Rochelle New York
