Long a taboo topic as well as one that has alarmed outside powers sectarian conflict in the Middle East is on the rise The contributors to this book examine sectarian politics in the Persian Gulf including the GCC states Yemen Iran and Iraq and consider the origins and consequences of sectarianism broadly construed as it affects ethnic tribal and religious groups They also present a theoretical and comparative framework for understanding sectarianism as well as country specific chapters based on recent research in the area Key issues that are scrutinised include the nature of sectarianism how identity moves from a passive to an active state and the mechanisms that trigger conflict The strategies of governments such as rentier economies and the invention of partisan national histories that encourage or manage sectarian differences are also highlighted as is the role of outside powers in fostering sectarian strife The volume also seeks to clarify whether movements such as the Islamic revival or the Arab Spring obscure the continued salience of religious and ethnic cleavages

**The Tribalization of Europe**

Marlene Wind, 2020-05-19 Tribalization is a global megatrend in today's world The election of Donald Trump the Brexit vote populist movements like Catalan separatism together with democratic backsliding in Central and Eastern Europe are all examples of tribalization Fuelled by anti globalism and identity politics tribalization is drawing up the drawbridge to the world It is putting cultural differences before dialogue collaboration and universal liberal values But tribalism is a dangerous road to go down With it argues Marlene Wind we have put democracy itself in danger Tribalism is not just about being pro nation anti EU and anti global It is in many instances a bigger and more fundamental movement that casts aside the liberal democratic principles we once held in common At a time when former defenders of liberal values are increasingly silent or have even joined the growing chorus of tribalists this book is a wakeup call Drawing on a wide range of examples from the UK and the US to Spain Hungary and Poland Wind highlights the dangers of identity politics and calls on people to stand up for democracy and the rule of law
