Psychiatric Response to Family Violence Edward W. Gondolf,1990 **Case Studies in Family Violence** Robert T. Ammerman,Michel Hersen,2012-12-06 Since the publication of the first edition in 1991 there has been substantial progress in our understanding of the etiology and associated features of domestic violence As in the first edition this book elucidates and highlights the complex multidisciplinary issues facing clinicians who work with family violence cases Each chapter combines two illustrative cases with a broader discussion of the issues that are encountered by clinicians working with families that engage in abuse or neglect Theory & Practice in Clinical Social Work Jerrold R. Brandell,2010-02-16 This thoroughly updated resource is the only comprehensive anthology addressing frameworks for treatment therapeutic modalities and specialized clinical issues themes and dilemmas encountered in clinical social work practice Editor Jerrold R. Brandell and other leading figures in the field present carefully devised methods models and techniques for responding to the needs of an increasingly diverse clientele Key Features Coverage of the most commonly used theoretical frameworks and systems in social work practice Entirely new chapters devoted to clinical responses to terrorism and natural disasters clinical case management neurobiological theory cross cultural clinical practice and research on clinical practice Completely revised chapters on psychopharmacology dynamic approaches to brief and time limited clinical social work and clinical practice with gay men Content on the evidentiary base for clinical practice New detailed clinical illustrations in many chapters offering valuable information about therapeutic process dimensions and the use of specialized methods and clinical techniques Accompanied by Robust Ancillaries The password protected Instructor Teaching Site of the companion site includes a test bank recommended readings and relevant Internet websites The open access Student Study Site offers chapter summaries keywords recommended Web sites and recommended readings The extensive breadth of coverage makes this book an essential source of information for students in advanced practice courses and practicing social workers alike **Family Scripts** Joan D. Atwood,1996 This book is appropriate as a text for postgraduate marriage and family counselor therapist training and also as a professional development resource for practicing marriage and family counselors The first three chapters of this book introduce the notions of social construction assumptions and social scripting theory The remaining chapters then apply the theory of scripting to common clinical family situations seen in therapy such as death and grief in the family premarital child bearing adolescence couples therapy and chemical dependence in the family **Health Care Ethics** Donald VanDeVeer,Tom Regan,1987 Family Violence Robert L. Hampton,1993 What factors contribute to family violence and how can they be identified early so that future violence can be prevented Addressing these and related issues the papers in this volume are a testimony to the rapid expansion of research theory and practice in the family violence field Leading researchers and clinicians explore the roots of family violence including both physical and sexual abuse and examine assessment treatment and prevention Topics addressed include whether children or the elderly are at greater risk and the

role of substance abuse in family violence **Health Care Ethics: Critical Issues for the 21st Century** Eileen E. Morrison, 2008-03-20 *Ethics in Health Administration* Eileen E. Morrison, 2011 Health Care Ethics Eileen E.
