Shakespeare's Secret:

The Shakespeare Secret J. L. Carrell, 2010-01-07 A modern serial killer hunting an ancient secret A woman is left to die as the rebuilt Globe theatre burns Another woman is drowned like Ophelia skirts swirling in the water A professor has his throat slashed open on the steps of Washington's Capitol building A deadly serial killer is on the loose modelling his murders on Shakespeare's plays But why is he killing And how can he be stopped A gripping shocking page turner The Shakespeare Secret masterfully combines modern murder and startling true revelations from the life of Shakespeare It has been acclaimed as one of the most compulsively readable thrillers of recent years **Shakespeare's Secret** Elise

Broach, 2025-09-23 Hero changed into a T shirt grabbed a book and padded barefoot into her sister's room The large windows overlooked the backyard She could see the moonlight streaming over the trees and bushes making long crazy shadows across the grass Was there a diamond hidden out there somewhere She looked at Beatrice already settled under the covers She wanted to tell her about the Murphys but at the same time she didn't She wanted to keep the secret To have something that belonged only to her A missing diamond a mysterious neighbor a link to Shakespeare can Hero uncover the connections When Hero starts sixth grade at a new school she's less concerned about the literary origins of her Shakespearean name than about the teasing she's sure to suffer because of it So she has the same name as a girl in a book by a dusty old author Hero is simply not interested in the connections But that's just the thing suddenly connections are cropping up all over and odd characters and uncertain pasts are exactly what do fascinate Hero There's a mysterious diamond hidden in her new house a curious woman next door who seems to know an awful lot about it and then well then there's Shakespeare Not to mention Danny Cordova only the most popular boy in school Is it all in keeping with her namesake's origin just much ado about nothing Hero being Hero is determined to figure it out In this fast paced novel Elise Broach weaves an intriguing literary mystery full of historical insights and discoveries A JUNIOR LIBRARY GUILD
