Shakti A Spiritual Experience:

Shakti Lizelle Reymond, 1974-01-01 **The Soul's Journey** Lawrence Edwards, 2000 A profoundly personal exploration of our soul's quest for the direct mystical experience of the Divine. It combines the ancient wisdom of the East, Kundalini and insights from Joseph Campbell and C. G. Jung to illumine your path to God **A Guide to Shaktipat** Swami Shivom Tirth, 1985 Dialogues on the process of awakening shakti towards inner consciousness while performing Yoga

All-Amareakin Thomas J. Anderson, 2011-03 THIS WORK IS AN IN DEPTH account of a spiritual awakening to the forgotten truth of human consciousness, our divine nature. It is written for those who feel that there must be more satisfying explanations for the purpose and meaning of life than the ones that are currently offered by science and orthodox religion. And it is written for those who truly long for and need a deeper meaning in their life. On American Independence Day 1975, Thomas Anderson was immersed in the state of his own radical independence, the state of immense inner freedom of the transcendent. It was in this luminous state of consciousness that the term All-Amareakin spontaneously came to him as a perfect name for one who is a sincere seeker of truth and understanding who has glimpsed the mystery and awesomeness of the human spirit and wishes to experience this more deeply. Again, this is the person for whom this is written. The author, Thomas J. Anderson, lives in northern Maine where he practices dentistry. Where he and his wife Pam have raised four children and where, on a minute-by-minute basis, he has persisted in applying disciplines of awareness he took up in his twenties. These disciplines, which have their origin in what are known as the wisdom traditions, are forms of self-inquiry and meditation with such power that before he'd practiced them for very long, Anderson had experienced a luminous state of expanded awareness. This state, described by yogis, sages, and seers from all times and all traditions, is called the Self, the Witness, the One, the Tao, and a thousand other names as well. Anderson's sole purpose in writing about this exalted state and about the practices that opened him to it is so that readers will see that they can have this experience for themselves. *Sanathana Dharma: The Eternal Quest for Truth* Sreeramana Aithal, Ramanathan Srinivasan, 2024-03-20 *Sanathana Dharma: The Eternal Quest for Truth* A systematic, informative book on fundamentals of Sanathana Dharma.
