Meeting*, 2003 **Selected New Books** New Jersey State Library, 1985 **Fearless Speech in Indonesian Women's Writing** Jafar Suryomenggolo, 2021-10-01 By offering perspectives from Indonesian female workers this book discusses the contemporary progress of working class feminism from the Global South It presents a critical reading of the socio political conditions that allow female workers to narrate their lives and work as precariat labor toiling under the forces of globalization Its analysis centers on their writings which appear in the form of legal documents personal accounts essays and short stories Thus the book shows how these women change their situation by challenging the political order and demanding gender justice with their fearless speech G.K. Hall Interdisciplinary Bibliographic Guide to Black Studies Schomburg Center for Research in Black Culture, 2003 **Free Speech and Democracy in Ancient Athens** Arlene W. Saxonhouse, 2005-12-19 This book illuminates the distinctive character of our modern understanding of the basis and value of free speech by contrasting it with the very different form of free speech that was practised by the ancient Athenians in their democratic regime Free speech in the ancient democracy was not a protected right but an expression of the freedom from hierarchy awe reverence and shame It was thus an essential ingredient of the egalitarianism of that regime That freedom was challenged by the consequences of the rejection of shame aidos which had served as a cohesive force within the polity Through readings of Socrates's trial Greek tragedy and comedy Thucydides's History and Plato's Protagoras this volume explores the paradoxical connections between free speech democracy shame and Socratic philosophy and Thucydidean history as practices of uncovering The Writers Directory, 2013 Teaching Human Rights in Literary and Cultural Studies Alexandra Schultheis Moore, Elizabeth Swanson Goldberg, 2015-11-01 Since the adoption of the Universal Declaration of Human Rights of 1948 the discourse of human rights has expanded to include not just civil and political rights but economic social cultural and most recently collective rights Given their broad scope human rights issues are useful touchstones in the humanities classroom and benefit from an interdisciplinary and cross cultural pedagogy in which objects of study are situated in historical legal philosophical literary and rhetorical contexts Teaching Human Rights in Literary and Cultural Studies is a sourcebook of inventive approaches and best practices for teachers looking to make human rights the focus of their undergraduate and graduate courses Contributors first explore what it means to be human and conceptual issues such as law and the state Next they approach human rights and related social justice issues from the perspectives of particular geographic regions and historical eras through the lens of genre and in relation to specific rights violations for example storytelling and testimonio in Latin America or poetry created in the aftermath of the Armenian genocide Essays then describe efforts to cultivate students capacity for ethical reading practices and to deepen their understanding of the stakes and artistic dimensions of human rights representations drawing on active learning and experimental class contexts The final section on resources directs readers to further readings in history criticism theory and literary and visual studies

and provides a chronology of human rights legal documents
