## Shanghai Baby:

*Feminism and Global Chineseness: The Cultural Production of Controversial Women Authors* Aijun Zhu, 2007 This book deconstructs the controversy of globally located Chinese women authors including Maxine Hong Kingston America Wei Hui Mainland China Li Ang Taiwan and Li Bihua Hong Kong It vividly shows how these authors are trapped in a dilemma between feminism nationalism and neocolonialism complicated by the powerful influences of global popular culture This book not only engages in the much debated major issues such as gender nation narration and globalization but more profoundly it also points out the cultural and political significance of literary and cultural criticism a much neglected area of research The author's detailed examination of Chinese nationalism from the perspectives of gender and globalization shows her sharp awareness of the changing geopolitical mapping of Chineseness Critics of Chinese literature and culture will benefit from this work in this era of social and political changes **Shanghai Baby** Wei Hui, 2001 **Shanghai Baby** Wei Hui

Zhou, 2012-03-01 Publicly burned in China for its sensual nature and irreverent style this novel is the semi autobiographical story of Coco a caf waitress who is full of enthusiasm and impatience for life She meets a young man Tian Tian for whom she feels tenderness and love but he is reclusive impotent and an increasing user of drugs Despite parental objections Coco moves in with him leaves her job and throws herself into writing Shortly afterwards she meets Mark a married Westerner The two are uncontrollably attracted and begin a highly charged physical affair Torn between her two lovers and tormented by her deceit her unfinished novel and the conflicting feelings involved in love and betrayal Coco begins to find out who she really is Here is a beautifully written novel with a distinct voice that describes China on the brink of its own social and sexual revolution Biographisches Handbuch chinesischer Schriftsteller Marc Hermann, Weiping Huang, Henriette

The gap that divides those of us born in the 1970s and the older generation has never been so wide Dark and edgy deliciously

naughty an intoxicating cocktail of sex and the search for love Shanghai Baby has already risen to cult status in mainland China The risqué contents of the breakthrough novel by hip new author Wei Hui have so alarmed Beijing authorities that thousands of copies have been confiscated and burned As explicit as Henry Miller's Tropic of Cancer as shocking as Trainspotting this story of a beautiful writer and her erotically charged affairs jumps howls and hits the ground running as it depicts the new generation rising in the East Set in the centuries old port city of Shanghai the novel follows the days and nights of the irrepressibly carnal Coco who waits tables in a café when she meets her first lover a sensitive Chinese artist Defying her parents Coco moves in with her boyfriend and enters a frenzied orgasmic world of drugs and hedonism But helpless to stop her gentle lover's descent into addiction Coco becomes attracted to a boisterous Westerner a rich German businessman with a penchant for S M and seduction Now with an entourage of friends ranging from a streetwise madame to a rebellious filmmaker Coco's forays into the territory of love and lust cross the borders between two cultures awakening her guilt and fears of discovery yet stimulating her emerging sexual self Searing a blistering image into the reader's imagination Shanghai Baby provides an alternative travelogue into the back streets of a city and the hard core escapades of today's liberated youth Wei Hui's provocative portrayal of men women and cultural transition is an astonishing and brave exposure of the unacknowledged new China breaking through official rhetoric to show the inroads of the West and a people determined to burst free
