*Shanna's Teacher Show* Jean Marzollo,2001-11-01      **Shanna's Ballerina Show** Jean Marzollo,2002-07 She leaps She soars across the floor Shanna s dazzling performance as a ballerina is sure to make her audience cry out for an encore Brava Bravissima Through clues rhythm and rhyme the Shanna Show series helps youngsters learn about adult occupations Along the way Shanna inspires young children to develop self esteem creativity storytelling abilities and problem solving skills all critical to further learning      **Shanna's Teacher Show** Jean Marzollo,2003      Packaging Girlhood Sharon Lamb,Lyn Mikel Brown,2025-06-25 The stereotype laden message delivered through clothes music books and TV is essentially a continuous plea for girls to put their energies into beauty products shopping fashion and boys This constant marketing cheapening of relationships absence of good women role models and stereotyping and sexualization of girls is something that parents need to first understand before they can take action Lamb and Brown teach parents how to understand these influences give them guidance on how to talk to their daughters about these negative images and provide the tools to help girls make positive choices about the way they are in the world In the tradition of books like *Reviving Ophelia* *Odd Girl Out* *Queen Bees* and *Wannabees* that examine the world of girls this book promises to not only spark debate but help parents to help their daughters      **Teacher Tenure** Ovid K. Wong,Chak Lau,2015-12-31 What is tenure It is a policy which gives teachers a permanent contract ensuring them a guarantee of employment like for life Tenured teachers cannot be fired unless for just cause such as gross misconduct or incompetence Proponents of teacher tenure say that it is good They argue that tenure prevents teachers from being fired for inappropriate reasons tenure protects teachers from false accusations tenure reduces teacher anxiety and allows them to become even better educators properly used tenure creates an environment where teachers are encouraged to improve and lastly tenure protects good but veteran teachers from being fired for being too expensive Opponents of teacher tenure say that it is bad They argue that tenured teachers if they are ineffective are often extremely difficult to dismiss dismissing tenured teachers takes a long time and is often extremely expensive almost every k 12 teacher receives tenure whether they have earned it or not and last but not least teacher tenure leads to complacency The purpose of the book is not to further debate the pros and cons of teacher tenure Rather it examines the critical elements to better prepare teachers for the tenure application and the tenure decision makers to make better informed evaluation **Teacher Tenure An Analysis of the Critical Elements** begins with an unlikely introduction of a story that uses rhetorical comparison of the shoe experience to connote the wisdom of the teacher tenure process      Think Like Socrates Shanna Peeples,2018-08-16 Socrates believed in the power of questions rather than lecturing his students But how did we get so far away from his method of inquiry Shanna Peeples 2015 National Teacher of the Year will show you how teachers can create an engaging atmosphere that encourages student questions and honors their experiences This resource provides Questions paired with sample texts Step by step lessons for generating and using students questions Lesson extensions for English

language learners special education students and gifted and talented students Writing suggestions in class debate questions and scoring rubrics Multimedia texts Protocols for using inquiry with adults as a base for professional development
