

Shaped By Japanese Music

Charles Henry Eden

Shaped By Japanese Music:

Shaped by Japanese Music Jay Davis Keister, 2004-06 This study situates musical analysis in the context of its creation demonstrating that traditional Japanese music is an active socio cultural system that has been reproduced in Japan from the seventeenth century to the present day

Handbook of Japanese Music in the Modern Era Henry Johnson, 2023-11-20 Exploring an array of captivating topics from hybridized Buddhist music to AI singers this book introduces Japanese music in the modern era The twenty five chapters show how cultural change from the late nineteenth century to the present day has had a profound impact on the Japanese musical landscape including the recontextualization and transformation of traditional genres and the widespread adoption of Western musical practices ranging from classical music to hip hop The contributors offer representative case studies within the themes of Foundations Heritage Institutions and Hybridities examining both musical styles that originated in earlier times and distinctly localized or Japanized musical forms

The Ashgate Research Companion to Japanese Music David W. Hughes, 2017-02-03 Music is a frequently neglected aspect of Japanese culture It is in fact a highly problematic area as the Japanese actively introduced Western music into their modern education system in the Meiji period 1868 1911 creating westernized melodies and instrumental instruction for Japanese children from kindergarten upwards As a result most Japanese now have a far greater familiarity with Western or westernized music than with traditional Japanese music Traditional or classical Japanese music has become somewhat ghettoized often known and practised only by small groups of people in social structures which have survived since the pre modern era Such marginalization of Japanese music is one of the less recognized costs of Japan's modernization On the other hand music in its westernized and modernized forms has an extremely important place in Japanese culture and society Beethoven's Ninth Symphony for example being so widely known and performed that it is arguably part of contemporary Japanese popular and mass culture Japan has become a world leader in the mass production of Western musical instruments and in innovative methodologies of music education Yamaha and Suzuki More recently the Japanese craze of karaoke as a musical entertainment and as musical hardware has made an impact on the leisure and popular culture of many countries in Asia Europe and the Americas This is the first book to cover in detail all genres including court music Buddhist chant theatre music chamber ensemble music and folk music as well as contemporary music and the connections between music and society in various periods The book is a collaborative effort involving both Japanese and English speaking authors and was conceived by the editors to form a balanced approach that comprehensively treats the full range of Japanese musical culture

Japan's Musical Tradition Miyuki Yoshikami, 2020-03-06 What makes Japanese music sound Japanese Each genre of Japan's pre Western music hogaku morphed from the preceding one with singing at its foundation In ancient Shinto prayers words of power recited in a prescribed cadence communicated veneration and community needs to the divine spirit kami From the prayers Japan's word based music evolved into increasingly more sophisticated recitations with biwa shamisen and koto

accompaniment This examination reveals shortcomings in the typical interpretation of Japanese music from a pitch based Western perspective and carefully explores how the quintessential musical elements of singing instrumental accompaniment scale and format were transmitted from their Shinto inception through all of Japan s music Japan s culture with its unique iemoto system and teaching methods served to exactly replicate Japan s music for centuries Considering Japan s music in the context of its own culture logic and sources is essential to gaining a clear understanding and appreciation of Japan s music and dissipating the mystery of the music s Japaneseness Greater enjoyment of the music inevitably follows **Japan** Charles Henry Eden,1877 *The music of the Japanese* Francis Taylor Piggott,1891 Asian Music ,2008 *Japan, Historical and Descriptive* Charles Henry Eden,1877 **Japanese Music** Hideo Tanabe,Genjirō Masu,1953 **The Music and Musical Instruments of Japan** Francis Taylor Piggott,1893 *The Journal of the Acoustical Society of Japan (E).* ,1993 Contains English abstracts of original papers and letters to the editor that appear in the Japanese edition **The land of the morning: an account of Japan and its people** William Gray Dixon,1882 Japan Weekly Mail ,1874 The Japan Daily Mail ,1873 **Directory of Japan Specialists and Japanese Studies Institutions in the United States and Canada: Japan specialists** ,2006 Music Alan Blackwood,1991 This book introduces great musicians and their works from around the world from their origins to the present day **Freunds Musical Weekly** ,1894 *Music of the World* Alan Blackwood,1991 A history of the origins of the sound of music its worldwide development theory and practice from prehistory to the present day **The Musical World** ,1888 *Transactions of the Asiatic Society of Japan* Asiatic Society of Japan,1891
