**Shaping History Through Prayer and Fasting** Derek Prince, 2002-06-01 Become a World Shaper The times we are living in are scary to say the least The world is unstable Global politics are volatile The rate of change we now experience is spiraling out of control We re uncertain about what will happen tomorrow and we feel helpless to do anything about it Yet what we are facing isn t new In the past there have been many wars There have been threats and acts of terrorism History is spotted with violent episodes of unimaginable carnage and horror And what did people do about them The only thing they could do they prayed Discover with Derek Prince how your prayers and fasting can change the world Using experiences from his own life he illustrates how you can make a difference You don t have to fight You don t have to hold high political position You don t have to be a certain age You don t even have to have power money or influence on earth What is important is your influence in heaven Learn to touch the heart of God through prayer prayer that will change the world **Shaping History**

*Shaping History Through Prayer And Fasting - ARABIC* Derek Prince, 2014-04-03 You can make a difference in these volatile times In *Shaping History Through Prayer and Fasting* you will discover the simple yet powerful tools you need to have an impact on the destinies of nations *Shaping History Through Prayer and Fasting* Derek Prince, 2015 *The Decline and Subsequent Resurgence of Fasting in the Church* Dawn M. Pondt BA MAE DMin, 2009-03-02 There is no available information at this time **The Pilgrim Legacy** Derek Prince, 2021-11-16 A story that must not be erased from America s history or from the public squares of nations worldwide In all the history of the world as nations have arisen and fallen amid endless war and bloodshed the founding of America was utterly unique writes Derek Prince Reaching the shores of an unknown wilderness a small group of people planted seeds not of military might or wealth or power but seeds of faith and freedom And those seeds took hold and grew Such seeds affect the destinies of nations A nation participates in shaping its own destiny through the process of sowing and reaping what nations sow they will reap If they seek to align themselves with God s purposes they will experience His favor and blessing But if they seek to align themselves with purposes that are in opposition to God s they will not prosper Who were the Pilgrims Why did they come to America What difference did they make in the history of our country and what does their legacy tell us about our country s destiny The seeds sown by our Pilgrim ancestors 400 years ago continue to influence our culture and government The basic principles by which they lived beliefs in personal liberty freedom of religion and living in covenant with others laid a strong foundation for America s religious and political freedom Without question what the Pilgrims sowed America has reaped as an abundant harvest Yet how long will the blessing of the Pilgrims influence continue The light of this nation is still shining But something is going wrong Like a heavy unanticipated fog a spiritual darkness is gradually moving in to dim that light In *The Pilgrim Legacy* internationally recognized Bible teacher and scholar Derek Prince discloses the biblical principles and tools at work in the

lives of this small group of Christians who were in a sense the spiritual ancestors of the United States It was these principles that not only helped to establish the nation but enabled America to be a stepping stone in spreading the light of the gospel of the kingdom around the world By discovering and implementing the principles by which the Pilgrims lived we can continue The Pilgrim Legacy today and preserve the spiritual destiny of our nation      **A Hunger for God** John Piper,2013-04-23

There is an appetite for God And it can be awakened I invite you to turn from the dulling effects of food and the dangers of idolatry and to say with some simple fast This much O God I want you Our appetites dictate the direction of our lives whether it be the cravings of our stomachs the passionate desire for possessions or power or the longings of our spirits for God But for the Christian the hunger for anything besides God can be an arch enemy While our hunger for God and Him alone is the only thing that will bring victory Do you have that hunger for Him As John Piper puts it If we don t feel strong desires for the manifestation of the glory of God it is not because you have drunk deeply and are satisfied It is because we have nibbled so long at the table of the world Our soul is stuffed with small things and there is no room for the great If we are full of what the world offers then perhaps a fast might express or even increase our soul s appetite for God Between the dangers of self denial and self indulgence is this path of pleasant pain called fasting It is the path John Piper invites you to travel in this book For when God is the supreme hunger of your heart He will be supreme in everything And when you are most satisfied in Him He will be most glorified in you      **The Spirit of the Disciplines** Dallas Willard,2009-10-06 How to Live as Jesus Lived Dallas Willard one of today s most brilliant Christian thinkers and author of The Divine Conspiracy Christianity Today s 1999 Book of the Year presents a way of living that enables ordinary men and women to enjoy the fruit of the Christian life He reveals how the key to self transformation resides in the practice of the spiritual disciplines and how their practice affirms human life to the fullest The Spirit of the Disciplines is for everyone who strives to be a disciple of Jesus in thought and action as well as intention      BASICS OF PRAYER Stephen Nielsen,2013-05-10 Prayer is not only petition it is also something more basic it is soul to soul communication with God And this really must come first before we ask God for anything For this is the heart of prayer Before we expect Him to listen to our requests we must have made contact with His soul by our soul Excerpt This is a book about prayer It is a study of the most basic elements of Christian prayer The book is written for anyone young or old who wants to deepen his prayer life and his walk with the Lord it is thorough and reflective yet easy to read The book starts off by examining the definition of prayer its nature and meaning Then there is a discussion about praise and how praise is both different from and interdependent of petitionary prayer Three chapters are devoted to intercession and the last four chapters on forgiveness fasting prayer posture and yielding lay out those all important elements that prepare one for prayer
