**Mutual Boasting in Philippians** Isaac D. Blois,2020-07-23 Isaac Blois argues that Paul s focus in Philippians on the mutual boasting shared between himself and his converts draws on the mutual boasting shared between Israel and her covenant God as apparent in both Deuteronomy and Isaiah Using the appearance of this central theme in the pivotal passages of Phil 1 25 26 and 2 14 16 as his focus Blois stresses the integral relation between mutual boasting and the role that it plays in Paul s exhortations to the Philippian believers exploring its backdrop in both the biblical tradition and the cultures surrounding them Blois demonstrates how the mutual boasting that Paul shares with his beloved community is culturally appropriate the sharing of honor among friends and family was common in antiquity as seen through the epistolary writing of prominent Roman authors such as Cicero Seneca and Fronto In light of the Scriptural and cultural basis for this motif of shared boasting Blois argues that the apostle is able to deploy the motif in order to motivate an appropriate response from his audience in the letter Focusing on the prominence of mutual honor and its use for motivation in Philippians 1 and 2 Blois offers a fresh perspective on the exhortative function of the eschatological boasting that is to exist between Paul and his congregation on the day of Christ

**Jesus against the Scribal Elite** Chris Keith,2020-09-17 How did the controversy between Jesus and the scribal elite begin We know that it ended on a cross but what put Jesus on the radar of established religious and political leaders in the first place Chris Keith argues that an answer to these questions must go beyond typical explanations such as Jesus s alternative views on Torah or his miracle working and consider his status as a teacher Keith examines Jesus own likely educational background and situates Jesus within his first century context showing readers that some of the tensions between Jesus and the scribal authorities may have originated in Jesus own lack of formal education Keith builds on his earlier work on Jesus literacy and uses insights from memory theory and ancient media studies to consider how Jesus actions and teachings may have specifically been seen to challenge an elitist scribal culture      **Journals of the Legislative**
