Shared Life The Trinity And The Fellowship Of Gods People:

Shared Life Donald Macleod, 2024-01-17 A 30th anniversary edition of a classic book on the Trinity by one of Britain's most prominent theologians Donald Macleod argues that our understanding of the Trinity matters because it is the model for the way we should live particularly in our relations with one another The relationship between Father Son and Spirit is laid out in Scripture and although fully grasping the concept of this divine mystery will always be beyond us we can understand it better It is critically important that we do for if our understanding of God is wrong it may lead to other wrong beliefs Donald Macleod's faithful insight into what Scripture has to say about the Godhead is priceless as relevant now as when it was first published This 30th anniversary edition has been newly typeset and has a new cover and will be an invaluable resource to a new generation of readers

Patrick Navas, 2006-10-01 In *Divine Truth or Human Tradition* the author examines the viewpoints and Scripture expositions of prominent evangelical scholars and apologists including popular author and debater Dr James R White author of *The Forgotten Trinity* John MacArthur President of The Master's Seminary Wayne Grudem author of the widely read *Systematic Theology* Robert Bowman Jr author of *Why You Should Believe in the Trinity* Robert Morey Founder of California Biblical University and Seminary and author of *The Trinity Evidence and Issues* R C Sproul President of Ligonier Ministries Robert L Reymond author of *Jesus Divine Messiah and A New Systematic Theology of the Christian Faith* and others According to what has long been considered mainstream Christian orthodoxy the doctrine of the Trinity the idea that the one true God is in the ultimate sense a divine being made up of three co equal and co eternal persons is not only central to the Christian faith but absolutely necessary for one to accept in order to be counted as a true Christian and be saved Such a demand on a Christian's faith has come across as strange and perplexing to many especially so in light of the fact pointed out by one respected Trinitarian The Trinity is not clearly or explicitly taught anywhere in Scripture yet it is widely regarded as a central doctrine indispensable to the Christian faith In this regard it goes contrary to what is virtually an axiom that is a given a self evident truth of biblical doctrine namely that there is a direct correlation between the scriptural clarity of a doctrine and its cruciality to the faith and life of the church Millard J Erickson *God in Three Persons* p 11 Emphasis added Understandably this fact has raised questions in the minds of Christians and truth seekers alike ever since the doctrine was first decreed as mandatory to confess in the late 4th century Many Christians have wondered How can a doctrine that is no

how you relate to God but give you deeper intimacy and greater joy in knowing Him **A Grammar of Holy Mystery** Larry Hart,2023-03-10 A Grammar of Holy Mystery is about Christian spirituality It is about mysticism as a firsthand encounter with the presence of God unfathomable unnamable mysterious fulfilling It is about classical Christianity the way of transforming truth found in Christ taught in Scripture lived by saints sages and mystics and passed on as a sacred trust through the centuries Being neither liberal nor conservative but simply Christian it is ecumenical in spirit For those traumatized by harsh or shallow churches A Grammar of Holy Mystery points the way out and shows the way to a faith that renews the mind restores the spirit and gladdens the heart Pro Communion Benjamin Guyer,2012-07-01 The proposed Anglican Covenant impinges not only upon the future of the Anglican Communion but upon global Christianity as well Pro Communion Theological Essays on the Anglican Covenant is the first volume that considers the completed text of the Covenant and its congruity with the Anglican tradition Contributors across the Anglo American world appraise the Covenant within a holistic framework defined by liturgical historical and ecumenical perspectives These essays transcend current debates by illuminating abiding theological themes within Anglicanism Creative and edifying rigorous and hopeful Pro Communion envisions a revival of the Anglican imagination within the context of a covenanted Anglican Communion Contributors Jeff Boldt Neil Dhirgra Andrew Goddard Benjamin M Guyer N J A Humphrey Nathan G Jennings Evan Kuehn Edmund Newey Matthew S C Olver Ephraim Radner and Christopher Wells **Priorities for the Church** Donald Macleod,2003 Jesus promised that as long as the earth remains his church will continue and it s a good job he did When we survey the church and how it relates to the world we have to wonder why he would bother The church is not the building nor is it the structure of government it is a body of believers Christians make up the church and it is our responsibility to prayerfully think through how we can affect the situation sitting idly by is no longer an option As the church drifts along splintered distracted all too willing to slip its theological moorings and often showing a remarkable lack of love its influence on society dwindles either becoming indistinguishable from the world or becoming so unrelated that it appears to be a relic of an entirely different era Donald Macleod brings his customary flourish to this most pressing topic His seemingly effortless ability to communicate complicated issues ensures that the message he conveys is clear Shared Life Donald Macleod,1987 What is the trinity and does it really matter Donald Macleod tells us that it does matter as it is the model for the way we should live particularly in our relations with one another The Bible teaches clearly about the relationship between Father Son and Holy Spirit Fully grasping the trinity will always be beyond us after all it is a divine mystery but we can understand it better and it is critically important that we do for if our understanding of God is wrong it follows that our other ideas may be wrong too The doctrine of the Trinity is not simply something to be believed but something that ought to affect our lives profoundly says Donald Macleod in this useful book that teaches us about the concept and implications of the doctrine of the Trinity **Living in the Light** Derrick McCarron,2013-05-24 The letters of John are some of the most simple

yet profound texts in the New Testament The Apostle John wrote three epistles at the close of the first century to counteract the heresy of Gnosticism and to focus on what it meant to know God by walking in His light He contrasted the Christian life in stark opposites light and darkness love and hatred truth and lies life and death In *Living in the Light* Derrick McCaron reveals the heart of John's message salvation is not found in hidden secret knowledge but in the fellowship of Christ Moreover the evidence of salvation is seen by loving others abiding in the truth and obedience to God's commands *Living in the Light* is a verse by verse commentary on the epistles of John This volume is ideal for believers who are looking to go deeper in their discipleship with Christ With an emphasis on practical application and precise exposition this book will enhance the reader's personal Bible study

Public Theology in an Age of World Christianity Paul S. Chung, 2010-04-15 This book aims to rearticulate and reinterpret a Christian concept of God's mission and evangelization in light of the universal irregular and transversal horizon of God's narrative as it pertains to the realities of public sphere Paul Chung maintains that mission serves the Word of God which is revealed in Jesus Christ by the power of the Holy Spirit for all It is salient to develop a theology of Trinitarian mission through the perspective of God's living word event in a hermeneutical intercultural fashion Here a Trinitarian concept of *missio Dei* is deepened and refurbished in light of God as the Subject of speaking through Israel the church and the face of innocent victims and religious outsiders This perspective contextualizes and widens the mission of God's narrative and deepens its universality in light of the word event
