Sharks & Whales Matthew Harper, 2014-03-01 Hi and a very warm welcome to my Sharks Whales Bundle Edition featuring two of my books rolled into one I'm one of those people who loves to hear about extraordinary facts or trivia about anything They seem to be one of the few things my memory can actually recall I'm not sure if it's to do with the shock or the WoW factor but for some reason my brain seems to store at least some of it for a later date I've always been a great believer in that whatever the subject if a good teacher can inspire you and hold your attention then you'll learn Now I'm not a teacher but the system I've used in previous publications seems to work well particularly with children This Bundle edition includes a selection of those WoW facts combined with some pretty awesome pictures if I say so myself At the end there is a short True or False quiz to check memory recall and to help cement some of the information included in the book Don't worry though it's a bit of fun but at the same time it helps to check your understanding Please note that if you're an expert on these subjects then you may not find anything new here If however you enjoy hearing sensational and extraordinary trivia and you like looking at some great pictures then I think you'll love it Matt This Bundle Edition features 2 of my books 1 Sharks 2 Whales

Whale Sharks Julie Murphy, 2013-08-01 This book takes readers on a journey under the sea to discover the fascinating facts about whale sharks including physical features habitat life cycle food and more Photos captions and keywords supplement the narrative of this informational text while additional search tools including a glossary and an index help students locate and review important information

Whale Sharks Heidi Mathea, 2010-08-15 Dive into the underwater world of the whale shark This book's large up close photographs will impress readers as they learn about the whale shark's size appearance and special features such as its wide flat head and unique color pattern A labeled diagram gives readers a full body view of the world's largest fish The whale shark's diet life cycle and habitat are also introduced and a colorful map shows where whale sharks live Readers will also learn about the whale shark's special senses such as its lateral line and how this gentle filter feeder uses them to outlast humans and other threats A facts page bolded glossary terms and an index supplement the easy to read chapter text Checkerboard Library is an imprint of ABDO Publishing

Company *Whale Sharks* Alistair D.M. Dove, Simon J. Pierce, 2021-08-25 Whale sharks are the largest of all fishes fascinating for comparative studies of all manner of biological fields including functional anatomy growth metabolism movement ecology behavior and physiology These gentle ocean giants have captured the interest of scientists and the imagination of the public yet their future is uncertain The conservation status of whale sharks was upgraded to Endangered on the IUCN Red List and the species faces a range of intense threats from human activities Can these iconic living animals who have survived for millions of years survive us Written by the world's leading experts in whale shark biology ecology and conservation *Whale Sharks Biology Ecology and Conservation* is the first definitive volume about the world's biggest fish Chapters include discussions of satellite linked tags used to track whale shark movements genetic sequencing to examine evolutionary adaptations even the use of underwater ultrasound units to investigate the species reproduction The editors hope that by collating what is known they can make it easier for future researchers conservationists and resource managers to fill some of the remaining knowledge gaps and provide the information they need to join the team As you work your way through this book we hope that you will develop a sense of awe and marvel at all of our good fortune to share the ocean and the planet with this utterly extraordinary species *Whale Sharks* Anne Welsbacher, 1995 This book discusses whale sharks large sharks that are equal to the size of whales *Great White Shark vs. Killer Whale* Thomas K.
