Shaun Hutson Omnibus Death Day And Renegades:

Last Rites Shaun Hutson,2010-01-07 Almost beaten to death by a gang of violent teenagers schoolmaster Peter Mason wants nothing more than to escape the simmering violence of London his broken marriage and the memories of his daughter's death The perfect chance comes in the form of a position at a prestigious boarding school in the heart of the Buckinghamshire countryside But the past is always lurking in the background Not just his own past but that of the school and its former staff Mason becomes obsessed with discovering what became of his predecessor The man's mysterious disappearance remains unexplained leaving a chilling legacy behind Mason finds that there are strange events occurring at the school violent and sinister events that have happened before and will if he cannot stop them happen again **Body**

Count Shaun Hutson,2011-12-15 The figure in the mask stumbles bleeding through the streets his pursuers closing in They also wear masks but they don't stumble They stalk They carry machetes clubs and knives And they know how to use them Who is kidnapping seemingly random victims and then slaughtering them in an elaborate game of cat and mouse And why are these murders being streamed over the internet Watching the horror unfold at New Scotland Yard is Detective Inspector Joe Chapman who searches for clues hints anything that might tell him where and when this savage hunt is happening He'd give anything to know But DI Chapman is about to learn that you should be careful what you wish for Very soon he will be closer to the blood letting than he could have imagined Forced to fight for his life and the life of someone he holds dear the only way out looks to be to rack up the biggest body count But even that might not be enough **Epitaph** Shaun

Hutson,2010-10-07 He sucked in a deep breath full of that strange smell he couldn't identify He trailed his hands across the satin beneath him and to both sides of him and when he raised his hands above him too He knew why it was so dark He understood why he could see nothing He realized why he was lying down He was in a coffin A distraught couple thinks you've killed their daughter and they want a confession If you say you did it they'll kill you If you say you didn't they'll leave you to die It seems hopeless but there is one way out What would you do **Unmarked Graves** Shaun Hutson,2011-12-15 When

investigative telejournalist Nick Pearson is sent to Darworth in Hertfordshire he finds a community divided A steady influx of foreign immigrants has led to racial tension and open hostility and violence The African newcomers are particularly targeted regular victims of vandalism and even fire bombing The Africans seem unwilling to fight back until the arrival of a mysterious powerful man who many of them know and fear Nick begins to wonder if there might be some kind of connection between this newcomer and the desecration of a local cemetery an event followed by the disappearance of a number of corpses and a series of bizarre ritualistic murders In each case the victims bear the same marks on their bodies Scars that Nick has seen before five years earlier in Africa Ancient religion and modern prejudice are about to collide and when they do there may be no survivors At least not human ones **The British National Bibliography** Arthur James Wells,2003 [The Writers](#)
