became known as the Sovereigns But anti Semites under the protection of the Nazi regime began to settle old scores and targeted the economically successful rural Jews New laws stripped Jewish meat dealers of their rights and Aryan competitors eagerly forced them aside That was only the beginning In the Holocaust that followed some members of the family escaped Others did not *Bread for the Departed* Bogdan Wojdowski,1997 A World War II novel on the Warsaw Ghetto whose protagonists are Jewish children They are called rats and spend their time smuggling food across the wall from the Christian side The author who was a child in the ghetto describes the way children adapt to changed circumstances **A Journey Back** Arnon Tamir,1997 At the age of twenty one Arnon Tamir was deported to Poland from his home in Germany A Journey Back describes Tamir s life in Germany his deportation and two return trips to Germany in 1959 to clarify his claim for reparations from the German government and thirty years later at the invitation of the city of Stuttgart As Tamir interweaves memories from different times and places he draws startling comparisons between his own experiences of oppression and exile and his life as one of the new settlers in Palestine themselves responsible for forcing the Arabs from their native land Tamir s fluid narrative shows that there is no easy way to tell such a story that the journey back is neither well defined nor easy *Medallions* Zofia Nałkowska,2000 Nothing of the former world holds true anymore Zofia Nalkowska wrote in her Wartime Diaries on 7 May 1943 Nothing has remained The burning of the Warsaw ghetto had broken Nalkowska s privileged life in two in the years to come the need to bear witness to the horrors she had seen firsthand would lead this gifted member of the Polish avant garde to write the stories in Medallions Translation Review ,2001
