Sheepherders Michael Mathers, 1986-10-01 **Sheepherders** Michael Mathers, 1975 Speaking Through the Aspens J. Mallea-Olaetxe, 2016-06-01 *Speaking Through the Aspens* analyzes the content of thousands of arboglyphs in the mountains of Nevada and California by topic language politics the Basque homeland the shepherd s life sex and pictorial themes In addition author Mallea Olaetxe has examined such sheepherder artifacts as sheep camps and bread ovens conducted extensive interviews with former herders and sheep company personnel and undertaken research in immigration and other records The result is a highly original work of history a detailed account of the lives of Basque sheepherders in the American West For the first time these men who contributed so much to the development of the region many of whom went on to establish the West s thriving Basque community speak for themselves about their experiences Enhanced by numerous illustrations this book is history at its most engrossing essential reading for scholars and anyone curious about the arboglyph phenomenon **Good Company** Douglas Harper, 2015-11-17 *Good Company A Tramp Life* is a vivid portrait of a lifestyle long part of America s history yet rapidly disappearing The author traveled extensively by freight train to gain rich insights into the elusive world of the tramp Richly illustrated with 85 photographs by the author the book presents the homeless man as an individual who drank migrated and worked at day labor rather than the stereotype of a victim of alcoholism The tramps with whom Harper shared boxcars and hobo jungles were the labor force that harvested the crops in most of the apple orchards in the Pacific Northwest They were drawn to the harvest from across the United States and migrated primarily on freight trains as had hobos in the 1930s Although not without its problems the tramp way of life is a fierce and independent culture that has been an integral part of our American identity and an important part of our agricultural economy Since the first edition of this classic book was published by the University of Chicago Press the tramp has virtually disappeared from the American social landscape The agricultural labor force is now made up of Hispanic migrants This significantly revised and updated edition contrasts this disappearing lifestyle with the homelessness of the modern era which has been produced by different economic and sociological forces all of which have worked against the continuation of the tramp as a social species The new edition richly documents the transition in our society from tramps to urban homelessness and the many social political and policy changes attendant to this transformation It also includes an additional thirty five previously unpublished photographs from the original research *Working Knowledge* Douglas A. Harper, 1987-07-27 A number of years ago Douglas Harper moved to northern New York to teach in a small college Upon his arrival there his department chairman noted his eight year old Saab and said You ll be meeting Willie Haper spent the next years establishing not only a working relationship but a friendship with Willie In *Working Knowledge* he introduces us to Willie a mechanic and jack of all trades With this engaging and insightful profile part biography part ethnography and part photo essay Harper documents what Willie does and how he does it Harper s dignified portrait captures a disappearing feature of modern life the essential
