*The Untitled Journals of Steve Donovan's Marathon Training* Steve Donovan, 2005-11-01 Steve Donovan liked smoking a lot but he liked his wife and daughter more When he started running to help himself quit smoking he entered into a whole new culture Donovan s competitive spirit leads him to train for the Chicago Marathon to break the four hour mark During that time he kept this diary The journal entries are humorous touching and genuine The Untitled Journals of Steve Donovan s Marathon Training is based on events logged in Donovan s journal from January 2003 to October 2004 His view of running becomes entwined with his personal life Running helps him become more insightful about him being his best but his competitive spirit takes a hit when a life altering event leads to an epiphany **Life As a Dance** Rick McManus, 2007-04-01

Life as a Dance is the way I have seen my journey on earth Through dancing I found the person I wanted to be someone who was confident in his abilities and place in the world and I was able to leave a restrictive self image behind I believe that everyone must develop unique talents and must step into the bright lights that are waiting to shine on all corners of life s stage and to illuminate each individual with a more ideal sense of who he or she is By expressing one s talents no one can fail to gain freedom from self imposed limitations My life has been one long adventure as a soldier diplomatic courier radio and newspaper reporter businessman and real estate investor The career that gave me the most joy and fulfillment was my career as a parent I still maintain a close relationship with my two sons Throughout my life there were partners I could dance with and partners I could not dance with Sometimes the music was hard to follow and I lost the beat At other times I heard the song clearly and hopefully was able to express some measure of harmony rhythm poise and balance **Playoff Dreams**

Fred Bowen, 2013-08-20 Brendan is a star player on a team going nowhere It looks as if his playoff dreams will never come true at least not with his team He feels almost as bad as Ernie Banks the Hall of Famer who played in more games than any other major leaguer without ever going to the playoffs or World Series But when his uncle takes him to a game at Wrigley Field an unexpected event makes Brendan see his team in a new light Could his playoff dreams come true **Major League**

**Rebels** Robert Elias, Peter Dreier, 2022-04-13 A captivating history of the baseball reformers and revolutionaries who challenged their sport and society and in turn helped change America Athletes have often used their platform to respond to and protest injustices from Muhammad Ali and Colin Kaepernick to Billie Jean King and Megan Rapinoe Compared to their counterparts baseball players have often been more cautious about speaking out on controversial issues but throughout the sport s history there have been many players who were willing to stand up and fight for what was right In Major League Rebels Baseball Battles over Workers Rights and American Empire Robert Elias and Peter Dreier reveal a little known yet important history of rebellion among professional ballplayers These reformers took inspiration from the country s dissenters and progressive movements speaking and acting against abuses within their profession and their country Elias and Dreier profile the courageous players who demanded better working conditions battled against corporate power and challenged

America's unjust wars imperialism and foreign policies resisting the brash patriotism that many link with the national pastime American history can be seen as an ongoing battle over wealth and income inequality corporate power versus workers rights what it means to be a patriotic American and the role of the United States outside its borders For over 100 years baseball activists have challenged the status quo contributing to the kind of dissent that creates a more humane society

**Major League Rebels** tells their inspiring stories **Dynamite on the Diamond** Donald B. Lucas, 2020-11-18 Dyno is a fourteen year old pitching phenom Chip is his best friend a highly skilled defensive catcher a solid hitter and an exceptional leader Chip is also the only player who can keep hothead Dyno in line Together they're the star players on the under fifteen baseball team called the Badgers High school baseball coach Jim Robertson sees the Badgers talent so agrees to be their coach shaping these young athletes into stars However Dyno proves to be a problem He might be a gifted pitcher but his cocky and negative attitude leaves much to be desired so much so that his teammates start turning against him Coach Robertson knows a player like Dyno could tear a winning team apart so he enlists Dyno's best bud Chip needs to help Dyno work through his personal issues to build trust and chemistry with his team The Badgers could go all the way to the top if they find a way to work together and support each other because talent alone does not produce winners The Seattle Times School Guide Katherine Long, 2000
