in English Designed for independent travellers backpackers expats students and anyone interested in alternative and DIY culture this is the perfect guide for you if you want to experience Tel Aviv like a true local *The EBay Price Guide* Julia L. Wilkinson,2006 Provides lists of selling prices of items found on eBay in such categories as antiques boats books cameras coins collectibles dolls DVDs real estate stamps tickets and video games *DIY Tel Aviv* Shimrit Elisar, **The eBay Book** David Belbin,2004-06 eBay is a phenomenon 50 million users worldwide and growing rapidly in the UK American site The author is an experienced UK trader who knows the pitfalls and tricks for profitable buying and selling The book provides everything that tens of thousands of new eBayers need to get started discovered the internet A friend and I discussed ways to make money out of it We agreed that online auctions were a really promising area We even spent some time discussing how you might go about setting them up It all got a bit complicated and I had books to write so we never followed through Pierre Omidyar had the idea and did something about it eBay the business he set up in his living room in September 1995 has at the time of writing nearly 50 million registered users You can buy anything from cars to concert tickets collectable dolls to computers suddenly Don s widow asked me to sell his record collection for her It included a large number of rarities I quickly found out what these might be worth but knew I d never get anything like their true value from a dealer So I went to eBay I d checked out eBay over the previous few months but had been too timid to buy or sell anything Now however I had a real reason to begin To test the water I auctioned a CD from my own collection a rare boxed single that the Record Collector price guide said was worth GBP40 I gave it a high starting price of GBP20 the lowest price I would accept A week later it sold for GBP30 I posted it to France throwing in free insurance just in case anything went wrong Two days later I received my first feedback Very pleasant seller beautiful item and carefully packed AA More than half of Don s records sold bringing in prices not too far off the guide price endlessly browse eBay when I should have been working on my latest novel I quickly got a green star alongside my eBay ID This showed I had more than ten positive feedback comments and no negatives I sold occasionally often accepting cash dollars to fund my purchases from the US this was in the days before Paypal a money transfer system that s discussed at length in this book In the last three years I ve become a frequent eBay user buying and selling books DVDs and comics as well as music items Last year I got my blue star for 50 plus positive feedback I ve only attended one auction in my life but I ve followed thousands of virtual ones I ve been ripped off made mistakes and learnt what kinds of auctions to avoid I still have a 100% feedback record the strongest test of an eBayer as serious hobbyists call themselves I still get a thrill those times at the end of an auction when last minute bidders are suddenly outbid and try to get one more bid in before the curtain falls publishers an old friend who is a financial whiz but knew very little about eBay The idea of this book is to give readers the basics of buying and selling on eBay with plenty of tips practical information and case histories Equally importantly it will tell you what to avoid and how to check out suspected cheats both sellers and buyers for the internet has given new life to many of the oldest frauds in the book because once you start selling stuff on the net you re

in business even if it s only in a very small way Who knows you might find dealing on eBay much more profitable than you expect Or you could find it s a great way to track down rare items you didn t know anybody else was interested in Soon you may find yourself selling spare stuff from the attic to grateful collectors who trust the way you ve graded them because they ve read your feedback The possibilities are endless that the vast majority of eBayers I ve met have been great to deal with I aim to give you the confidence to become one of those eBayers whatever it is you choose to buy or sell I ve only attended one auction in my life but I ve followed thousands of virtual ones Once you start selling
