## **Privatizing The Police State The Case Of Poland:**

Privatizing the Police-State M. Los, Andrzej Zybertowicz, 2016-01-22 This is the first book that documents and analyses the paramount role of secret services in the decomposition of the communist system and the conversion of its elites into new capitalists The surge of civil society in 1980s Poland prompted a parallel expansion of the police state apparatus The book traces the subsequent reconstruction and privatization of social political and material resources of the police state and shows how these covert operations shaped other more visible aspects of the East Central European transformation A Note from the Authors Since the publication of this book the events in Poland and elsewhere have demonstrated the extraordinary influence and longevity of the power networks spawned by the communist police state apparatus and its eventual privatization There is new evidence uncovered almost daily whose interpretation would not be feasible without the conceptual and historical framework elaborated first in this book

*Privatising Punishment in Europe?* Tom Daems, Tom Vander Beken, 2018-01-29 In recent times the question of private sector involvement in public affairs has become framed in altogether new terms Across Europe there has been a growth in various forms of public private cooperation in building and maintaining new penal institutions and an increasing presence of private companies offering security services within penal institutions as well as delivering security goods such as electronic monitoring and other equipment to penal authorities Such developments are part of a wider trend towards privatising and marketising security Bringing together key scholars in criminology and penology from across Europe and beyond this book maps and describes trends of privatising punishment throughout Europe paying attention both to prisons and community sanctions In doing so it initiates a continent wide dialogue among academics and key public and private actors on the future of privatisation in Europe Debates on the privatisation of punishment in Europe are still underdeveloped and this book plays a pioneering and agenda setting role in developing this dialogue

*Video Surveillance and Social Control in a Comparative Perspective* Fredrika Björklund, Ola Svenonius, 2012-12-07 This edited collection reports the results of a comparative study of video surveillance CCTV in Germany Poland and Sweden It investigates how video surveillance as technologically mediated social control is affected by national characteristics with a specific concern for recent political history The book is motivated by asking what makes video surveillance tick in three very different cultural settings two of which Poland and Sweden are virtually unexplored in the literature on surveillance The selection of countries is motivated by an interest in societies with recent experiences of authoritarianism and how they respond to the global trend towards intensified technical means of control With thorough empirical studies the book constitutes an important contribution to security studies surveillance studies and post communist area studies

Transitional Justice in Eastern Europe and the Former Soviet Union Lavinia Stan, 2009-01-13 This book examines transitional justice in Eastern Europe and the former USSR exploring their attempts to come to terms with the gross human abuses which characterized their communist past It considers transitional justice in all its aspects explaining why different

countries adopted different models and how successful they have been      **Polish Sociological Review** ,2005      **Towards Recognition of Minority Groups** Asst Prof Karolina M Cern, Professor Bartosz Wojciechowski, Professor Marek Zirk-Sadowski, 2014-12-28 This volume analyses current debates concerning problems in the nature justification and legal protection of human rights for minorities with reference to the issues surrounding social milieu as a source of any legitimized law which is in itself in need of legal recognition as well as being an object of legal protection With contributions from a global network of scientists across several continents the work examines the debate dedicated to the understanding of the normative framework expressed in terms of human rights that guarantee autonomous action in public and private for minority groups as well as individuals The chapters go on to study the particular claims that need to be audible and visible for others in the public sphere with reference to the legal protection of human rights The work concludes with the completion of an interpretative circle debating the issues of legal consensus and legal identity with respect to the specificity of the patterns and modes guiding human interactions Going beyond the legal analysis to discuss communication strategies in human rights this collection will be of great interest to those studying the philosophy and theory of law practical philosophy in general political sciences and theory of democracy      *Security/Capital* Rigakos George S. Rigakos, 2016-03-18 What is security and what is its relationship to capitalism George S Rigakos explosive treatise charts the rise of the security industrial complex Starting from a critical appraisal of productive labour in the works of Karl Marx and Adam Smith Rigakos builds a conceptual model of pacification based on practices of dispossession exploitation and the fetish of security commodities Rigakos argues that a defining characteristic of the global economic system is its ability to productively sell in security to those it makes insecure Materially and ideologically the security industrial complex is the blast furnace of global capitalism fuelling the perpetuation of the system while feeding relentlessly on the surpluses it has exacted      **Osteuropa-Recht** ,2002 *Slavic Review* ,2002 American quarterly of Soviet and East European studies varies      **Money and Politics in Poland** Marcin Walecki, 2005      **Osteuropa** ,2002      **Periphery** ,2003      Historical Dictionary of Poland George Sanford, 2003 Poland has had an exceptionally turbulent thousand year history marked by extremes of national greatness and decline including partition and foreign occupation Currently undergoing another dramatic transformation Poland has been building a democratic and market system since the fall of communism The largest and most important nation in Eastern Europe outside the ex Soviet Union is now returning to the European mainstream from which she was for long periods isolated politically and economically although not culturally Although Poland has been widely popularized in journalistic clichés in recent years because of Solidarity the Polish Pope and the like there is still much to be learned about the particular individuals and specific factors which have shaped her history in the past and which are molding her present development The dictionary strikes a judicious balance in covering past and contemporary figures as well as Poland's richly textured political social and cultural dimensions The Dictionary has more than four hundred entries and a most comprehensive and up to date

bibliography It provides a stimulating and knowledgeable introduction for students scholars and librarians as well as a helpful overview guide for tourists and for those involved in teaching business politics journalism and public service

Comparative and International Criminal Justice Charles B. Fields,Richter H. Moore,2005 Geographic and cultural diversity is well represented in this volume Traditional systems of justice are included as well as some very nonconventional methods of dispute resolution and punishment This finely tuned international collection will enhance a reader s appreciation and understanding of widely diverse approaches to law and control in selected cultural systems that differ greatly from familiar Western based attitudes Fields and Moore s collection provides readers with valuable twenty first century insight into the increasing complexity and interconnectedness of international criminal justice BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved      **Democracy's Disorder?** Mark Shaw,2002      The Cultural Lives of Capital Punishment Austin Sarat,Christian Boulanger,2005-06-02 How does the way we think and feel about the world around us affect the existence and administration of the death penalty What role does capital punishment play in defining our political and cultural identity In this volume the authors argue that in order to understand the death penalty we need to know more about the cultural lives past and present of the state s ultimate sanction      The Best Books for Academic Libraries: Social sciences ,2002 Books recommended for undergraduate and college libraries listed by Library of Congress Classification Numbers      Who's Watching the Spies?
