Privilege A Reader:

Privilege Michael S. Kimmel, Abby L. Ferber, 2003-02-07 Essays which bring the reader inside the experiences of privilege in America and explore the intersection of social systems in people's lives

Privilege Michael S. Kimmel, Abby L. Ferber, 2016-07-12 Privilege is about more than being white wealthy and male as Michael Kimmel Abby Ferber and a range of contributors make clear in this timely anthology In an era when diversity is too often shorthand for of color and or female the personal and analytical essays in this collection explore the multifaceted nature of social location and consider how gender class race sexual orientation disability and religion interact to create nuanced layers of privilege and oppression The individual essays taken together guide students to a deep understanding of the dynamics of diversity and stratification advantage and power The fourth edition features thirteen new essays that help students understand the intersectional nature of privilege and oppression and has new introductory essays to contextualize the readings These enhancements plus the updated pedagogical features of discussion questions and activities at the end of each section encourage students to examine their own beliefs practices and social location

Beginning Oracle Application Express 4 Doug Gault, Karen Cannell, Patrick Cimolini, Timothy St Hilaire, Martin DSouza, 2011-07-14 Beginning Oracle Application Express 4 introduces one of the most talked about development platforms to come out of Oracle Corporation in years Oracle Application Express called APEX for short enables rapid and easy development of web based applications that make full use of Oracle Database The release of APEX 4 brings a huge leap forward in terms of functionality and usability for both the developer and the end user Power users and programmers alike can quickly put together robust and scalable applications for use by one person by a department by an entire company Whether you're new to Oracle or an old hand who's yet to test the waters of APEX Beginning Oracle Application Express 4 introduces the processes and best practices you'll need to become proficient with APEX The book shows off the programming environment the utilities and tools available and then continues by walking through the process of building a working system from the ground up While the book assumes a foundational knowledge of SQL and PL SQL all code used is documented and explained so that those new to the languages will not be lost Covers brand new functionality in APEX 4 Provides fully documented and explained example code Guides you through creating a working and fully deployable application

Interactive Readings for Christian Worship Edwin Zackrisson, Melvin Campbell, 2003-08 Need some revitalization of your worship service with more involvement on the part of the congregations Or do you need more focus on the sermon subjects This book may well be your answer The 53 responsive readings in the book differ from the traditional approach Here you may find the audience cast in various roles such as in drama where they will respond as a character in a story such as in readers theatre Good reading is easy to achieve as in choral reading and the audience gets to answer and suggest corporately as in traditional responsive readings The audience may play the fool the pharisee the publican God the believer or the skeptic At all times we worked at keeping the responses short so that the long

monotony of untrained reading would be avoided and a minimum of rehearsal instruction would be needed to have maximum expression Both youth and adults have enjoyed these responsive readings We think your congregation will as well *Joseph Conrad and the Reader* A.
