The Prize Winner of Defiance, Ohio Terry Ryan, 2005-09-02 The Prize Winner of Defiance Ohio introduces Evelyn Ryan an enterprising woman who kept poverty at bay with wit poetry and perfect prose during the contest era of the 1950s and 1960s Stepping back into a time when fledgling advertising agencies were active partners with consumers and everyday people saw possibility in every coupon Terry Ryan tells how her mother kept the family afloat by writing jingles and contest entries Mom s winning ways defied the Church her alcoholic husband and antiquated views of housewives To her flouting convention was a small price to pay when it came to securing a happy home for her six sons and four daughters Evelyn who would surely be a Madison Avenue executive if she were working today composed her jingles not in the boardroom but at the ironing board By entering contests wherever she found them TV radio newspapers direct mail ads Evelyn Ryan was able to win every appliance her family ever owned not to mention cars television sets bicycles watches a jukebox and even trips to New York Dallas and Switzerland But it wasn t just the winning that was miraculous it was the timing If a toaster died one was sure to arrive in the mail from a forgotten contest Days after the bank called in the second mortgage on the house a call came from the Dr Pepper company Evelyn was the grand prize winner in its national contest and had won enough to pay the bank Graced with a rare appreciation for life s inherent hilarity Evelyn turned every financial challenge into an opportunity for fun and profit From her frenetic supermarket shopping spree worth 3 000 today to her clever entries worthy of Erma Bombeck Dorothy Parker and Ogden Nash the story of this irrepressible woman whose talents reached far beyond her formidable verbal skills is told in The Prize Winner of Defiance Ohio with an infectious joy that shows how a winning spirit will triumph over the poverty of circumstance

The Motherhood Affidavits: A Memoir Laura Jean Baker, 2018-04-03 Laura Jean Baker has written a beautiful and brave memoir of motherhood and its discontents which are indistinguishable from its joys This is a warmly intimate yet intellectually provocative personal document of originality and considerable charm Joyce Carol Oates With the birth of her first child soon to be professor Laura Jean Baker finds herself electrified by oxytocin the love hormone the first effective antidote to her lifelong depression Over the next eight years her oxy cravings and her family only grow to the dismay of her husband Ryan a freelance public defender As her reckless baby making threatens her family s middle class existence Baker identifies more and more with Ryan s legal clients often drug addled fellow citizens of Oshkosh Wisconsin Is she any less desperate for her next fix Baker is in an impossible bind The same drive that sustains her endangers her family the cure is also the disease She explores this all too human paradox by threading her story through those of her local counterparts who ve run afoul of the law like Rob McNally the lovable junkie who keeps resurfacing in Ryan s life As Baker vividly reports on their alleged crimes theft kidnapping opioid abuse and even murder she unerringly conjures tenderness for the accused yet increasingly questions her own innocence Baker s ruthless self interrogation makes this her personal affidavit her sworn statement made for public record if not a court of law With a wrenching ending that

compels us to ask whether Baker has fallen from maternal grace this is an extraordinary addition to the literature of motherhood
