one Eighty three minutes and 27 seconds into the season the fifth starter Scooter McCray went out for good with a torn knee ligament His replacement was brother Rodney a freshman who had arrived in poor condition and with a poor attitude We ll be lucky to win 15 games Crum said He had never won fewer than 20 in any of his eight campaigns but no one argued with this pronouncement Yet with a rookie three sophomores and star Darrell Griffith and his 48 inch vertical leap in the lineup strange zany and enchanting things began to happen Wiley Brown was given a bionic thumb and the prosthesis not only apparently helped his rebounding but also stayed on most of the time Manchild small forward Derek Smith talked of being from Jupiter one night and snatched 15 rebounds with his Goliath sized hands the next Reserve Roger Burkman s demolition derby aggression earned him the pen name Instant Defense while sub PonchoWright s cloud tickling jumpers and jaw dropping dunks got him the Instant Offense title Rodney McCray transformed himself into an indispensable man not overnight but over the course of a few minutes when his sibling went down Above all this quite literally and figuratively was Griffith He led as an athlete by his graciousness and classy demeanor They became a team that put winning above everything Each of them would have welcomed any of the others into a foxhole The discombobulated basketball team set an impossibly high standard of bonding through diversity and adversity and promptly answered that question posed by Crum s peers Yes he could win the big one

Marc Broere,2010 In June 2010 South Africa is the platform for the biggest event that has ever taken place on the African continent the football World Cup In the run up to the World Cup and during the event Africa will be centre stage for a while instead of being forgotten This book follows a football mad continent on the road to this World Cup It is a book of stories primarily by African journalists and photographers about the love of football It shows Africa as we rarely see it as a continent bubbling over with talent ambition and opportunities As well as highlighting the love of football itself the book also pays a close attention to the social significance of football in Africa Sporting successes create a feeling of dignity and pride in people and the passion for football can bind them together even in wartime You will meet football mad presidents read about how the great Ethiopian athlete Haile Gebrselassie loves the game the roles that Didier Drogba and George Weah played in bringing peace to the Ivory Coast and Liberia and how young talents at a Ghanaian football academy are preparing for an international sporting career Stars such as Michael Essien and Salomon Kalou speak out too of course The book also offers a perspective on the African style of play reconstructs historic footballing events and above all shows the strength of a continent that is on the way to one of the high points in its history **Hoover's Handbook of American Business** ,1998
