

The background of the cover is a vibrant, abstract painting with swirling colors of blue, purple, and orange. A large, dark, spiral staircase leads upwards from the bottom left towards the top right. At the top of the stairs is a circular opening with vertical bars, resembling a prison cell or a window. A person in a pink shirt and dark pants is seen from behind, walking up the stairs towards the light at the top.

Community-Based Corrections Shannon M. Barton-Bellessa, Robert D. Hanser, 2011-01-06 Community Based Corrections A Text Reader is a text reader that includes a collection of carefully selected edited articles on community based corrections that have previously appeared in a number of leading criminal justice academic journals This book is a substitute for a standard community based corrections textbook without becoming standard because it will include text and original articles along with current research The book is divided into eleven Sections that will include 15 pages of authored text and 3 4 significant research based articles with a policy orientation The articles will provide the reader with a grasp of the development and current status of research on the various community based corrections topics Ancillaries include instructor and student resource sites Instructors will be provided test questions and PowerPoint slides Materials on the student study site will include self study quizzes and extra articles for each section of the book **Stress Among Probation and Parole Officers and what Can be Done about it**, 2005 Study that examined the effects of stress on community corrections officers and identified promising stress reduction programs **Document Retrieval Index**, 1972 **Research for Practice**, 19??

Introduction to Corrections Robert D. Hanser, 2018-11-29 Introduction to Corrections provides a comprehensive foundation of corrections that is practitioner driven and grounded in modern research and theoretical origins This text uniquely illustrates how the day to day practitioner conducts business in the field of corrections in both institutional and community settings Experienced correctional practitioner scholar and author Robert D Hanser shows readers how the corrections system actually works from classification to security to treatment to demonstrating how and why correctional practices are implemented Furthering the reality of the modern correctional experience the Third Edition includes a new chapter on immigration detention centers **Community Corrections** Robert D. Hanser, 2009-02-19 Aimed at undergraduate courses in criminal justice that offer modules in community corrections probation and parole this text covers the necessary topics in community corrections but with a more practical approach than other texts Subjects covered include the history of probation and parole arguments for and against the treatment of offenders the point and purpose of community corrections and jail facilities and detention centers The book offers a unique perspective given the author's expertise with both special needs populations and in the comparative fields It is supported by an online study site and instructor's resource materials **Juvenile Justice** G. Larry Mays, L. Thomas Winfree (Jr.), 2006 The evolution and development of the American juvenile justice system are distilled into an engaging survey in this extensively revised edition In clear authoritative language the text explores the social legal historical and political ramifications of administering justice to American youth The authors draw upon their extensive backgrounds in the field to provide a cogent framework for organizing their discussion one that skillfully blends theory research and practical applications Throughout the text boxed features address international perspectives on contemporary juvenile justice issues as well as discussions of the theoretical explanations of crime and

delinquency The authors incorporate numerous data sources to provide a balanced presentation of juvenile justice statistics their multiple interpretations and the trends they indicate Moreover they include well researched material that often is overlooked in other texts including up to date discussions of parole aftercare and nondelinquent children A comprehensive chapter on juvenile gangs illustrates how theory informs research and research in turn informs policy and practice The latest prevention and intervention strategies and programs are covered in a chapter that explores these goals from both philosophical and practical perspectives

BOOK JACKET **Corrections** Michael Welch, 2004 Welch's **CORRECTIONS** is the only text to take a critical approach to the field of corrections This unique and refreshing text encourages students to think analytically about punishment By establishing a greater social context corrections is presented against the backdrop of social forces namely political economic religious and technological forces that affect the corrections system Students gain an understanding of the corrections system through the authors critical and issues oriented presentation of materials The book consistently introduces clear meaningful and exciting examples illustrating various issues and concepts *Hastings Law Journal*, 2006 **The Hastings Law Journal**, 2006-05 *Current Publications in Legal and Related Fields*, 2003
