Carlota of the Rancho Evelyn Raymond, 2019-11-11 My head is in the United States and my feet are in Mexico cried Carlos sprawling at ease upon the sun warmed grass Whereupon Carlota not to be outdone in anything promptly rolled her plump little person over the sward until its length lay along a lime line running due east and west across the plain Her yellow curls touched her twin's yet her body formed a right angle to his Then she remarked Pooh I'm better than that My heart is in my own country and my my What is it that's on the other side of you from your heart brother I don't know Maybe gizzard Carlota sat up amazed and indignant Girls don't have gizzards Carlos Manuel Only chickens and geeses and things like those You haven't paid attention when my father taught you Carlos laughed so merrily and noisily that old Marta came to the door of the adobe house to see what was the fun Nobody knew the housekeeper's real age it was so very great None could remember things so far back as she but she had ceased to count the years long long ago why not What matter if she still had the heart of a child yes Certainly neither Carlos nor Carlota cared To them she had never changed either in appearance or kindness and they found no birthdays worth remembering except their own These only probably because of the gifts and fiestas then made upon the whole rancho Perhaps I didn't little sister but neither did you or you'd never have said geeses nor taught Both of us was wrong weren't we returned the girl with as fine a disregard of grammar as of ill temper We'll be more tentative when our father comes home won't we When will that be Carlos It was a perplexing question and the boy put it aside as he put all difficulties until a more convenient season Crossing his arms above his head he gazed unblinkingly upward into the brilliant sky proposing Let's find things in the clouds Carlota I see a ship I do truly It's just like the pictures in the books All its sails are set and flying Oh can't you see Right there There It's moving northward fast fast It might be the ship in which our father will come home He meant to comfort her but Carlota would not look up She could not The sunbeams made prisms of the teardrops on her lashes and blinded her She buried her face in the

grass to escape these tiny rainbows and all at once fell to sobbing bitterly Carlos hated that He hated anything dark or unhappy He sat up and patted his sister's shoulder soothingly entreating There don't Don't girlie Our father wouldn't like it if he should come home now this minute and find you crying The words were magic Carlota sprang to her feet and earnestly peered into the distance crying Is he Do you see him brother Do you Carlos also leaped up and threw his arm about her waist I didn't say that did I I only said if I don't like if's sobbed Carlota Oh Carlota don't cry You shall not If you do I will go away myself to the northwest to find my father Oh let's I said I Not you Girls never go anywhere because they always cry If it hadn't been for that my father might have taken me with him You see he couldn't take you on account of it and he couldn't leave you at home with only Marta and the men for then that would make more tears So I had to stay to take care of you and I do think if I were a girl the very first thing I would do I wouldn't cry Criers never have real good times I guess This was logic and from Carlos whom Carlota idolized only less than their absent father most convincing She winked very fast and drew her sleeve across her eyes to dry the drops which would not be shaken off **Obras Completas** Fernán Caballero, 1898

Aranibar i D.E. Althaus* Dreyfus Hermanos y Cia, 1880 *The Cristero Rebellion* Jean A. Meyer, 2008-12-18 The Cristero movement is an essential part of the Mexican Revolution When in 1926 relations between Church and state old enemies and old partners eventually broke down when the churches closed and the liturgy was suspended Rome Washington and Mexico without ever losing their heads embarked upon a long game of chess These years were crucial because they saw the setting up of the contemporary political system The state established its omnipotence supported by a bureaucratic apparatus and a strong privileged class Just at the moment when the state thought that it was finally supreme at the moment at which it decided to take control of the Church the Cristero movement arose a spontaneous mass movement particularly of peasants unique in its spread its duration and its popular character For obvious reasons the existing literature has both denied its reality and slandered it *Convocatoria y orden del día para el XIII Congreso ordinario P.S.O.E.
