

# Guarantee

# VS

# Warranty

## Understanding The Difference

### Guarantee

#### Satisfaction Guarantee

Seller must refund the full purchase price at the purchaser's request - at any time, for any reason.

#### Trigger Phrases

100% Satisfaction  
Guaranteed!  
Money Back  
Satisfaction

Anything less than 100% refund is not a satisfaction guarantee but a refund policy.

Any limitations such as: "must be returned unopened", "purchaser is responsible for return shipping", "refund is subject to third party inspection" must clearly be disclosed.

#### Verbal Guarantee/Warranty

Don't rely on verbal promises - get it in writing.

### Warranty

#### Lifetime Warranty

Ads must clearly disclose what is meant by "lifetime". Is it the lifetime of the purchaser? The lifetime of the product, etc?

#### Written Warranty

#### Look for Terms & Conditions

How long does it last?  
Who do you contact for service?  
Is the seller or manufacturer obligated to refund, replace, or repair?  
Will you be responsible for the cost of parts, trip charges, etc?

#### Conditional Guarantee/Warranty

Advertiser must include a statement that complete details are available prior to sale at the location, online, or in writing (free on request).

Challenges of Information Technology Management in the 21st Century Information Resources Management Association. International Conference, 2000 As the 21st century begins we are faced with opportunities and challenges of available technology as well as pressured to create strategic and tactical plans for future technology Worldwide IT professionals are sharing and trading concepts and ideas for effective IT management and this co operation is what leads to solid IT management practices This volume is a collection of papers that present IT management perspectives from professionals around the world The papers seek to offer new ideas refine old ones and pose interesting scenarios to help the reader develop company sensitive management strategies Automobile Warranty and Repair Act United States. Congress. House. Committee on Interstate and Foreign Commerce. Subcommittee on Consumer Protection and Finance, 1980 *Corporate Strategic Business Sourcing* Kevin Maromonte, 1998-02-18 Is your company saving money by using outside suppliers Is outsourcing reliable As a result is your company gaining a competitive edge Or would the company do better by keeping some of the efforts in house And how is the performance of outside suppliers and in house functions measured to facilitate effective sourcing decisions These are questions the author a specialist in corporate performance improvement tackles in this book The answers are surprising and the guidance presented will have far reaching benefits for organizations He maintains that companies expectations from outsourcing are not being met because there is not a methodical approach to measuring and evaluating the performance of sources By fully assessing the performance of available sources the best can be selected and the company can benefit long term Succinctly and comprehensively Maromonte guides companies step by step through his proprietary techniques for sourcing performance assessment and decision making His book will be an important useful resource for senior management and executives operations managers finance purchasing and quality professional and anyone with responsibility for bottom line results To improve competitiveness in the global marketplace companies are reducing costs through outsourcing the purchase of goods and services from suppliers In many cases outsourcing is less expensive for companies than producing these goods and services internally Companies however do not always achieve their ultimate goal of competing more effectively This is because decisions to outsource are primarily based on the promise of lower direct costs without considering other source performance criteria that also impact costs and ultimately competitiveness *Corporate Strategic Business Sourcing* guides management in selecting the best sources those that will raise performance to world class levels and improve competitiveness To improve sourcing decisions the concept of the Strategic Business Unit or SBU is applied to each source being considered to provide the company with goods and services Following the SBU approach similar product and service lines are grouped together in the corporation As a result quality levels delivery performance customer service and product advancements as well as costs are more easily measured and improved Just as the focus on these five criteria leads to improved SBU performance the same approach can be applied to enhance the

performance of the individual sources of goods and services This is accomplished by similarly quantifying and improving the quality delivery cost customer service and product advancement performance of the companies sources whether outside suppliers or in house functions     **Motor Trend** ,1987-07     **Reliable Design of Medical Devices** Richard C.
