Zero to IPO: Over \$1 Trillion of Actionable Advice from the World's Most Successful Entrepreneurs Frederic Kerrest,2022-04-19 WALL STREET JOURNAL BESTSELLER From the cofounder of a 40 billion software company comes an invaluable guide packed with 1 trillion worth of advice from some of the world s most successful and recognizable entrepreneurs Over the past 20 years first as an early employee at Salesforce and later as a cofounder of Okta a publicly traded software company now valued at over 40 billion Frederic Kerrest has met the most successful entrepreneurs and investors in Silicon Valley and beyond He s discussed every angle of

entrepreneurship with them what works what doesn't and what to do when things get rough and he's taken notes The result is this unmatched blueprint for building and growing a business drawn from his own experience as well as that of his fellow visionaries and business leaders who have collectively built over 1 trillion worth of wealth for themselves and their investors They include Marc Andreessen and Ben Horowitz Andreessen Horowitz Eric Yuan Zoom Stewart Butterfield Slack Aneel Bhusri Workday Julia Hartz Eventbrite Aaron Levie Box Fred Luddy ServiceNow Melanie Perkins Canva Patty McCord Netflix Sebastian Thrun Udacity and dozens of other luminaries These ideas and practices aren't taught in business schools They've been learned the hard way through trial and error in the real world of business Kerrest has battle tested them himself so he knows their power Organized by topic in roughly the order that leaders will encounter them as they scale their businesses this book is the ultimate guide to taking a company all the way from founding to IPO and beyond *Thrive* Lincoln Pan, 2019-03-21 Forget about the old concept of retirement and financial freedom There is no need to wait and there is every reason not to especially in an economic time of immense unpredictability Regardless your dream is escaping the corporate rat race having more free time with your family building a seven figure business or just having peace of mind to enjoy life The Thrive is your one way ticket to freedom destiny In this step by step workbook through plain English and inspiring stories you'll discover how to transform your mind set to uncover your current blind spot in finance how to develop an unshakable belief to achieve your goals how to realize the strength you already have and optimize your resources to the next level how to reduce 50 percent of the risk of failure using the principles taught by Harvard Business School how to create the vivid vision and experience the fulfillment you deserve today and how to build an empowering community around you to achieve freedom and succeed together *Disruptive Leadership* Rich Kao, 2025-09-09 Companies worldwide are striving to transform their industries through innovative products and services Becoming a disruptive organization however is easier said than done Even more difficult is being a company that continually disrupts Is it possible to discern a code for how companies can achieve this In this highly readable and engaging book a disruptive leadership framework is proposed in which caring deeply is placed at the center of the model Apple is used as the leading example By turning care into a focal point a triphasic model is proposed that moves from the personal sphere individual to the corporate arena organizational and then to the global stage impact Nine key factors are identified along this path for how companies can achieve organizational excellence This second edition updates all the facts data and history around Apple since the first edition and calls out how its revolution of care continues to not only validate its success but astound with its seemingly unfettered upside Its ability to disrupt seems to have no limits thus challenging business leaders present and future to incorporate the DNA of care as they build and scale businesses In addition to the previously profiled companies such as Nike IKEA 3M and Starbucks new case studies including Uniqlo Alibaba On Running 7 Eleven and Costco are presented to supplement Apple's story Features A new organizational model is given for interpreting Apple's success Nine principles of organizational excellence are discerned from this new

model Promotes caring deeply as a focal point for approaching disruptive leadership New corporate profiles include Uniqlo Alibaba On Running 7 Eleven and Costco Application questions and assignments are included for each chapter making it an ideal training tool for leadership development and personal application **The Woman Who Fooled The World** Beau Donnelly,Nick Toscano,2017-11-13 Belle Gibson convinced the world she had healed herself of terminal brain cancer by eating a healthy diet She built a global business based on her story There was just one problem she never had cancer in the first place In 2015 journalists uncovered the truth behind Gibson s lies This hero of the wellness world with over 200 000 followers international book deals and a best selling mobile app was a fraud She had lied about having cancer to her family and friends to her business partners and publishers and to the hundreds of thousands of people including genuine cancer survivors who were inspired by her Instagram posts Written by the two journalists who uncovered the details of Gibson s deception *The Woman Who Fooled the World* tracks the 23 year old s rise to fame and fall from grace Told through interviews with the people who know her best it explores the lure of alternative cancer treatments exposes the darkness at the heart of the wellness and clean eating movements and reveals just how easy it is to manipulate people on social media With the idea of clean eating now routinely debunked by dietary experts and growing scepticism about the authenticity of what we read online *The Woman Who Fooled the World* is a timely and important book that answers not just how but why Gibson was able to fool so many *SHRM-CP/SHRM-SCP Certification All-in-One Exam Guide* Dory Willer,William H.
