Getting To Six Figures Sustainably Monica Leonelle, 2025-10-21 You don't need hacks, hustle, or burnout to hit six figures. You need systems that actually work and that work for you. In *Getting to Six Figures Sustainably*, Monica Leonelle shares 12 of her most enduring frameworks refined over a decade of working with tens of thousands of authors that will help you build a thriving author business with clarity, ease, and longevity. Inside, you'll get cliff notes versions of Monica's best and most requested ideas from across her nonfiction catalog, including:

- The Hierarchy of Prosperous Creation: build a career on mindset, craft, rhythm, and resilience.
- The Accelerator's Formula: achieve any goal faster with this powerful 6-step process.
- Story Symmetry: write deeply aligned, marketable books that become reader obsessions.
- Author Ecosystems: discover your archetype and use it to design a business that works for you.
- Funnel Flywheel: understand how readers become superfans and then spread your work.
- The Fandom Flywheel: build a loyal, self-sustaining reader base that sells your books for you.

Plus six more systems for audience growth, visibility, branding, and book virality. Whether you're just getting started or ready to scale to your next level, this book is the business oracle deck every author needs. Keep it by your side as a reference when you're stuck, stagnant, or spinning, and get clear, practical answers fast. It's time to stop guessing and start growing with intention, integrity, and a whole lot of joy.
