[month, day, year]

Dear Mr. Goodman,

I recently implemented a new client liaison protocol that reduced revision requests by 45% over six months. The system improved communication efficiency and ensured swift adaptation to evolving briefs. I hope to apply similar strategic skills as a print production artist at Minuteman Press.

As an innovative artist with over 7 years of on-call experience, I am excited by the chance to join the creative team at Minuteman Press. I believe that your company's reputation for leveraging cutting-edge illustration technologies aligns perfectly with my skill set. My recent achievements include:

- Training six interns to improve their use of the InDesign program, three of whom joined the company post-graduation as professional illustrators
- Consistently working efficiently on tight timescales, delivering 76% of projects early while ensuring a 99% satisfaction rate over two years
- Receiving glowing praise during my annual performance review for my strong understanding of branding and color selection

I look forward to attending an interview to discuss how my extensive experience producing branded literature and superb lettering skills can help your company continue its reputation for fast and high-quality service. Please contact me to set up an interview time.

Sincerely,

Terence Poole

The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
