Privatization And Liberalization In The Middle East:

Privatization and Liberalization in the Middle East Iliya F. Harik, Denis Joseph Sullivan, 1992 a highly original and valuable contribution on an important and most timely topic No other book on Middle Eastern political economy matches this one in combining clarity of focus and breadth of geographic coverage Robert Bianchi An international group of specialists take stock of the problems and prospects for privatization of state run economies and other liberalization efforts in a wide range of countries throughout the Middle East and North Africa Although privatization and liberalization are frequently regarded as economic measures the contributors demonstrate that it is the politics of such reforms that often determines the success or failure of economic policy changes The countries under review share a variety of economic and political characteristics yet are sufficiently different in their response to the call for privatization to constitute useful cases for comparative political and economic analysis Countries studied include Egypt Turkey Syria Jordan Iraq Saudi Arabia Tunisia and Algeria The contributors are Abdel Monem Said Aly Laurie A Brand Kiren Aziz Chaudhry Iliya Harik Fred H Lawson Marcie J J Sullivan and Dirk Vandewalle Political Liberalization and Democratization in the Arab World Rex Brynen, Bahgat Korany, Paul Noble, 1995 The Arab world is experiencing a variety of factors internal and external that are leading to change This work examines such factors that are shaping political liberalisation and democratisation in the Arab context as well as the role played by particular social groups *Economic and Political Liberalization in the Middle East* Tim Niblock, Emma Murphy, 1993 The Third World Beyond the Cold War Louise Fawcett, Yezid Sayigh, 1999-04-01 The Third World Beyond the Cold War presents an overview of the changes brought about in Third World countries since the end of the cold war The book does so in two ways by highlighting major areas of change in the Third World and using regional case studies as a means of isolating changes specific to certain regions The themes chosen by the editors economics politics security are not of course exhaustive but are broadly interpreted so as to encompass the major areas of change among Third World countries The regional case studies Asia Pacific Latin America South Asia Africa the Middle East were selected to bring out both the themes and the diversity of experience The essays written by leading scholars in the field of International Relations caters for a variety of constituencies those who seek the big picture in understanding the Third World in International Relations those who look for general patterns explanations and trends in Third World politics and those who seek up to date information and analysis on the progress of different regions Management and International Business Issues in Jordan Kip Becker, Hamed El-Said, 2013-01-11 Understand the economic cultural and enterprise issues facing the Arab countries of the Middle East Jordan is playing a vital role in the economic and political transformation of the Middle East but little research has been done on its business climate Management and International Business Issues in Jordan fills that gap This groundbreaking volume spans the social cultural economic and enterprise issues facing Jordan as seen by Arab managers academics finance professionals and business leaders Many experts believe that Jordan has the potential to become another

Singapore Management and International Business Issues in Jordan suggests ways your company can be among the first to establish profitable business enterprises in this strategically placed nation It analyzes corporate culture and the best tactics for consolidating your firm s economic position Management and International Business Issues in Jordan provides empirical research and pragmatic advice on how to make your business in Jordan a success including reducing high transaction costs working with not against the prevailing corporate culture understanding why multinational corporations should choose a joint venture strategy as the most effective way to establish a presence encouraging the growth of business and the involvement of entrepreneurs improving the local infrastructure to attract international investment responding positively to the challenges of reform and internationalization understanding the complex historical factors that still influence Jordan s economy recognizing the sources of job satisfaction in traditional Arab corporate culture Whether your business is based in Jordan or you are planning to expand to that market Management and International Business Issues in Jordan provides the information you need to make your venture a success Autoritarismus in der arabischen Welt Oliver Schlumberger, 2008

Ökonomische Liberalisierung in Syrien Oliver Wils, 1997 Asien, Afrika, Lateinamerika, 2002 *The Political Economy of the Middle East: Economic and political liberalisation* Tim Niblock, Rodney Wilson, 1999 The fourth in a series on the Middle East this volume deals with liberalisation It argues that few countries have been untouched by economic and or political liberalisation particularly the Middle East It looks at Turkey Egypt and Iraq along with other Middle Eastern states

The Political Economy of Market Reform in Jordan Timothy J. Piro, 1998-08-06 This volume moves beyond traditional studies of Jordan s politics to explore the interplay between politics and economy Examining the phenomenon of market reform in the developing world Timothy J Piro assesses the state s contradictory impulses toward privatization and continued state intervention in the economy Drawing on a wealth of primary materials the author illuminates the kingdom s unique politics and argues that market reform is dependent on domestic rather than international political structures
