An informative introduction to the issue and opposing positions.

The issue(s) at hand are not explained. Thesis is missing.

Reader cannot determine thesis and purpose or thesis has no relation to the writing task.

The issue(s) and opposing positions are not well-developed.

Thesis may be obvious or unimaginative. Thesis and topic are somewhat vague or only loosely related to the writing task.

The issue(s) and opposing positions are competently developed, but still has some weaknesses. Thesis is somewhat original.

Thesis and purpose are fairly clear and match the writing task.

Develops fresh insight. Substantial, logical, and concrete developments of issue and opposing positions. Details are

germane, original, and convincingly interpreted. Thesis is clear and specific.

A well-developed, probing analysis of the two articles.

Offers simplistic, undeveloped, or cryptic analysis.

Inappropriate or off topic generalizations. Analysis is irrelevant to thesis. There are faulty assumptions and errors of fact.

Offers somewhat obvious analysis that may be too broad.

Details are too general, not interpreted, or inappropriately repetitive.

Offers solid but less original analysis. Assumptions are not always recognized or made explicit. Contains mostly appropriate details or examples.

Develops fresh insight. Substantial, logical, and concrete analysis. Details are germane, original, and convincingly interpreted.

Kinsman, 1975 Contains alphabetically arranged profiles of published contemporary authors of non technical works from around the world each with personal data addresses career history and a list of writings and in some cases a list of works in progress sidelights and avocational interests The Publishers' Trade List Annual , 1978 **American Book Publishing Record** , 1977-03-31 Here s quick access to more than 490 000 titles published from 1970 to 1984 arranged in Dewey sequence with sections for Adult and Juvenile Fiction Author and Title indexes are included and a Subject Guide correlates primary subjects with Dewey and LC classification numbers These cumulative records are available in three separate sets *How to Write About the Holocaust* Theodor Pelekanidis, 2022-05-05 How to Write About the Holocaust is a contribution to ongoing debates in historiography and Holocaust studies More specifically it combines the theoretical framework that has developed in historiography in the last half a century with the demands of Holocaust representation The first part of the book analyzes the newest trends in theory of history focusing especially on postmodernism starting from the works of the American historian and theorist Hayden White and tracing the genealogy of the postmodern influence in history both from an epistemological and from a political perspective The second part continues by incorporating these theoretical developments into specific written examples on the Holocaust By analyzing major works about it including Saul Friedl nder s and Dan Stone s histories of the Holocaust the book attempts to answer questions like what is the most appropriate way to write about the Holocaust and what can theory teach us about the practice of history To conclude the volume explores the connection between history and literature and asks if the distinction between fact and fiction has become outdated Conversation Analysis and Sociological Theory Melisa Stevanovic, David Inglis , Anssi Peräkylä, Emmi Koskinen, 2024-08-22 The relations between Conversation Analysis CA sociology and social theory are complex often ambiguous and have sometimes been rather fraught While there might be some relatively high level of agreement amongst their practitioners on what CA is what it does and what it is meant to achieve that is not so much the case for the more open and broad terrains of sociology and social theory Moreover each of the domains in question has changed in orientation composition and academic location since CA first came into existence in the late 1960s While initially a child of sociology as CA has matured and extended its substantive and methodological reach it has become a large intellectual domain in its own right with inputs from and relevance for a host of other disciplines notably linguistics anthropology and psychology It is now no longer at all clear how CA relates to sociology and social theory what each side
