**Instigator** Jonathon Gatehouse, 2012-09-11 With a labour fight looming and the NHL's participation in the Olympics hanging in the balance **The Instigator** looks at how two decades of lockouts soaring ticket prices and on ice tinkering have convinced many hard core fans that the NHL's long time commissioner Gary Bettman is the devil in disguise In 1992 the gross revenue of the National Hockey League was US 400 million This season the figure will be closer to 2.8 billion a seven fold increase Even if that were the only criterion by which to judge Bettman's twenty year tenure as NHL commissioner he'd be a business success story But on his watch professional hockey has also expanded far beyond its regional strongholds abandoning frostbitten Canadian outposts for America's Sun Belt sprawl The best players in the world not just North America all ply their trade in the league Bettman built By taming the NHL's famously fractious owners all but busting its players union and enforcing a lawyerly discipline on everything from trash talk to a Blackberry billionaire's efforts to crash the party Bettman has become a figure of almost unrivalled power in the business of sports His influence shapes rival leagues in other countries dictates the schedule of the Olympic Winter Games and spills onto the ice itself with innovations such as the shootout and a second referee and crackdowns on obstruction and headshots In **The Instigator** Jonathan Gatehouse details the unlikely ascension of a fatherless Jewish kid from Long Island who never played hockey and can barely skate to the sport's biggest job It examines his motivations peels back his often prickly demeanour and explains how a true outsider to the game manages to lead confound and keep order **The Ultimate Yankee Book** Harvey Frommer, 2017-10-24 The perfect gift for the diehard fan an enviable treasure for yourself **The Ultimate Yankee Book** is the most current and comprehensive source of trivia people and stories from the team's creation in 1901 to today Harvey Frommer the celebrated baseball historian and author of eight books about the Yankees including **The New York Yankee Encyclopedia** and **Remembering Yankee Stadium** has outdone
