

the leading (orthodox) mathematical physicist community, it appears obvious that we will not be able to do so. It is simply ridiculous to think that you can provide sufficient material evidence with the appropriate level of mathematical sophistication to convince the leading mathematical physicist community. The fact that we have not been able to do so is a good indication that we have not been able to do so. The fact that we have not been able to do so is a good indication that we have not been able to do so.
