need to know about book formatting print as well as digital How can I turn my book into an audiobook How do I develop and refine my author brand How can I land invitations to speak at conferences and conventions I use several pseudonyms How do I manage them all What's an ARC A media kit A book trailer A blog tour Do I really need to start a blog Send out a newsletter Dive into social media Give away my books How do I price my book Should I pick one price or vary it Where are the best places to advertise my sale events How much is all of this going to cost me Don't feel overwhelmed by the publication and promotion process Let award winning critically acclaimed author Kim Iverson Headlee give you the practical wisdom you need to stay on task and perhaps even come out ahead *Streaming Horrors* Sotiris Petridis, 2025-07-17

Audiovisual content has transformed significantly with technological advancements and the rise of new media In addition to revitalizing older works by making them accessible to a broader audience streaming platforms also create exclusive original content designed specifically for online consumption This is especially evident in horror films and television new methods of narration and storytelling have enhanced the genre and streaming has made it more widely available than before This collection of essays examines audiovisual horror's adaptation to the features and audience of the digital era The essays focus on the various effects of new media in the audiovisual landscape with regard to institutions audiences and content The horror genre has undergone a rapid evolution and re-invention as technology has shaped both the narratives and the ways in which consumers interact with on screen content *Introduction to Sports Journalism* Matthew H. Zimmerman, Lauren M.

Burch, Brian Moritz, 2024-09-12 Sports journalism has seen massive upheaval in recent years Today's 24/7 sports networks streaming services and social media platforms bring sports coverage and live events to consumers anytime anywhere But despite the increase in the number of media outlets and the speed by which news is delivered and consumed the basic tenets of sports journalism remain albeit with a few new wrinkles Embracing this dynamic *Introduction to Sports Journalism* provides students with the practical knowledge and tools to succeed in the evolving field of sports journalism While other texts repeat the sports journalism is changing refrain *Introduction to Sports Journalism* sheds light on how and why it's changing Through these discussions students are challenged to formulate their own perspectives on contemporary sports journalism journalistic expression and how these concepts fit in today's evolving media and societal landscapes The text begins with an overview and history of sports journalism and traditional media Also discussed is the impact of today's nontraditional journalists the bloggers and videographers outside traditional media channels The core of the text then focuses on developing practical skills required to work in the sports journalism field including knowing how and what to write to craft compelling stories Much attention is paid to analytics what they are their variations across sports and how to interpret and use them effectively Also featured are digital media blogs podcasts and social media platforms and the technological tools used to create content Sports journalism and public relations often overlap and the text explains the nuances of the respective functions Public relations tools such as media guides and game notes are presented as well as a

section on crisis communication The pressure to break the story can tempt even the best journalist to plagiarize or fabricate stories or skip fact checks The text covers journalism ethics and provides best practices for avoiding traps Racial and gender bias and the importance of providing equitable coverage are also discussed Additionally legal issues such as copyright privacy discrimination defamation reporter s privilege and first amendment rights are addressed The book concludes with a discussion of career paths and challenges facing the industry The landscape is changing and in response the authors provide career advice for students entering the field In the chapters you ll find Industry Profile sidebars featuring interviews and conversations with practicing sports journalists Also included are Time Out activities throughout the chapters and end of chapter discussion questions applied activities and practical exercises all designed to engage students more fully with the content and apply learning to real life situations Introduction to Sports Journalism provides a comprehensive overview of contemporary sports journalism spanning all media platforms and sport organizations to prepare students for a dynamic career in sports journalism
