## **Restructuring Work And The Life Course:**

Life Course, Work, and Labour in Global History Josef Ehmer, Carola Lentz, 2023-09-18 This multidisciplinary volume offers unique perspectives across the globe and throughout the centuries on the complexity of the nexus between work and the life course For industrialized regions from Germany and Western Europe to China and Japan it questions the widespread notion of an overall growing working life course instability since the 1970s For unindustrialized or industrializing regions from West Africa to state socialist East Central Europe as well as for transnational and transcontinental labour migrations it shows the enormous influence of the extended family and wider kin on individual pathways into and out of work For early modern Europe India and China and up to twentieth century state socialism and to current welfare states it stresses and concretizes the crucial impact of age and gender for both societal labour relations and individual work related decision making With all chapters based on original research the volume reflects a close cooperation between historians anthropologists and sociologists Its multidisciplinary approach finds expression in its methodological plurality reaching from archival research and sophisticated statistical analyses to biographical interviews and participant observation This mix allows to grasp the interaction between societal change and individual agency

Restructuring Work and the Life Course Victor W. Marshall, Walter R. Heinz, Helga Krueger, Anil Verma, 2001-01-01 In this multidisciplinary collection of essays forty eight social scientists from seven countries examine changes in the organization of work and their impact on people at various stages of the life course

*Familie, Bindungen und Fürsorge* Hans Bertram, Nancy Ehlert, 2011-10-11 Dieser Band präsentiert 35 Beiträge namhafter Wissenschaftlerinnen und Wissenschaftler aus Soziologie Politik Ethnologie Ökonomie Psychologie und Anthropologie zur Frage der Sicherung familialer Fürsorgeleistungen der Gewährleistung von Fürsorglichkeit und der Unterstützung der älteren Generation Lange wurde angenommen dass Modernisierungs und Globalisierungsprozesse in den verschiedenen Regionen dieser Welt einem ähnlichen Muster folgen die Beiträge in diesem Band zeigen jedoch dass die hier untersuchten Länder und Regionen auf die Herausforderungen der Moderne und einer globalisierten Welt mit teilweise ähnlichen Herausforderungen sehr unterschiedlich reagieren Es gibt keine einheitliche sondern nur eine vielfältige Moderne

**Handbook of Aging and the Social Sciences** Robert H. Binstock, Linda K. George, Stephen J. Cutler, Jon Hendricks, James H. Schulz, 2011-05-05 The Handbook of Aging and the Social Sciences Sixth Edition provides a comprehensive summary and evaluation of recent research on the social aspects of aging The 25 chapters are divided into four sections discussing Aging and Time Aging and Social Structure Social Factors and Social Institutions and Aging and Society Within this context aging is examined from the perspectives of many disciplines and professions including anthropology bioethics demography economics epidemiology law political science psychology and sociology The Sixth Edition of the Handbook is virtually 100% new material Seventeen chapters are on subjects not carried in the previous edition Seven topics were carried over from the previous edition but written by new authors with fresh perspectives and brought up to date Some of the exciting new topics include social relationships in late life technological change and aging religion and aging lifestyle and aging perceived quality of life economic security in retirement and aging and the law There is also a greater emphasis on international perspectives particularly in chapters on aging and politics diversity and aging and immigration The Handbook will be of use to researchers and professional practitioners working with the aged It is also suitable for use as a course text for graduate and advanced undergraduate courses on aging and the social sciences

**Restructuring Work and the Life Course**, 2001      **Handbook of Work-Family Integration** Karen Korabik, Donna S. Lero, Denise L.

Whitehead, 2011-04-28 In today's industrialized societies the majority of parents work full time while caring for and raising their children and managing household upkeep trying to keep a precarious balance of fulfilling multiple roles as parent worker friend child Increasingly demands of the workplace such as early or late hours travel commute relocation etc conflict with the needs of being a parent At the same time it is through work that people increasingly define their identity and self worth and which provides the opportunity for personal growth interaction with friends and colleagues and which provides the income and benefits on which the family subsists The interface between work and family is an area of increasing research

in terms of understanding stress job burn out self esteem gender roles parenting behaviors and how each facet affects the others The research in this area has been widely scattered in journals in psychology family studies business sociology health and economics and presented in diverse conferences e g APA SIOP Academy of Management It is difficult for experts in the field to keep up with everything they need to know with the information dispersed This Handbook will fill this gap by synthesizing theory research policy and workplace practice organizational policy issues in one place The book will be useful as a reference for researchers in the area as a guide to practitioners and policy makers and as a resource for teaching in both undergraduate and graduate courses

**Age, Gender, and Work** Julie Ann McMullin, 2011-02-06 In the new knowledge based economy information technology is a major field of employment However the fast pace of technological innovation globalization and the volatile stock market have made IT an increasingly risky business for some employees more than for others This volume examines how women and older workers in small IT companies are disproportionately vulnerable to economic uncertainty within their industry Drawing on original survey and interview data the authors explore how gender and age affect work and workplace culture to produce a fresh contribution to the literature on inequality
