Cyber Week Review Tutorial:

Designing Technology Training for Older Adults in Continuing Care Retirement Communities Shelia R. Cotten, 2016-12-08
This book provides the latest research and design based recommendations for how to design and implement a technology training program for older adults in Continuing Care Retirement Communities CCRCs. The approach in the book concentrates on providing useful best practices for CCRC owners, CEOs, activity directors as well as practitioners and system designers working with older adults to enhance their quality of life. Educators studying older adults will also find this book useful. Although the guidelines are couched in the context of CCRCs, the book will have broader based implications for training older adults on how to use computers, tablets and other technologies.
