Mobile Influence Chuck Martin, 2025-08-22 The explosion of mobile access across the globe has shaken the foundations of the traditional sales funnel and businesses are scrambling to adapt and find new ways to tap into the market For all their effort many have failed to realize that the issue is not how to reach the customer where they are but where they are going and their mindset at the moment With the staggering growth in the use of mobile technology as both product research and purchase point businesses have yet to fully understand the important role mobile devices play in the basic structure of the traditional shopping model and the new importance on linking behavior with location With the death of the traditional sales funnel comes author Chuck Martin's new model the Mobile Shopping Life Cycle Based on the author's in depth research Martin has identified the six specific moments in the timeline of the sale which marketers must target effectively in order to reach the mobile buyer From location based marketing to mobile payment systems Martin's model gives marketers access to the tools necessary to build a new sales framework that properly addresses the future of the market I Hate School John Baxter, 2013-08-22 Why Do So Many Kids HATE School A Paradigm Shift Is Necessary In Education And Now A College Football Coach Offers Such Reform As coaches we have opportunities that teachers do not Coaching is a performance based working relationship that relies on the mastery of fundamentals and technique to create a competitive advantage Coaches are held accountable for an athlete's performance on and off the field This leads us very quickly to a fork in the road We can bend the rules academically and manipulate the system so that they can get through and stay eligible or we can invest deeply in them and help them technically and fundamentally so that they can become legitimate independent performers in all areas of life I see myself at the center of the paradigm shift which is based on skills and ideas not subjects and orders Study hall medication tutoring and other conventional forms of intervention aren't what we need They aren't the long term solution We need sustained performance based change that is built on fundamentals and technique If we are going to effect permanent long lasting fundamental change the paradigm shift has to begin somewhere other than in the schools Therefore parents and educators must pursue such change individually through a program like Academic Gameplan Academic Gameplan is a coaching based program that teaches the rules fundamentals and techniques to the game of school The life skills we teach are SOLID SIMPLE and REPEATABLE AGP is the ROCK upon which students are building lifelong success **The Michigan Journal** ,2002 **Market Watch** ,1981 TV Guide ,1999 **Sport Marketing** Bernard J.
