Peirce Pragmatism And The Logic Of Scripture:

Peirce, Pragmatism, and the Logic of Scripture Peter Ochs, 1998-05-07 This is the first study of Charles Peirce's philosophy as a form of writing and the first study of his pragmatic writings as a critique of the modern attempt to change society by writing philosophy Ochs argues that as corrected by the pragmatists the task of modern philosophy is through writing to diagram the otherwise hidden rules through which modern society repairs itself Peirce labelled this elemental writing enscripting or scripture Redescribing Peirce's pragmatism as the logic of scripture Peter Ochs suggests that Christians and Jews may in fact re-read pragmatism as a logic of Scripture that is as a modern philosopher's way of diagramming the Bible's rules for repairing broken lives and healing societal suffering Rorty and the Prophetic Jacob L. Goodson, Brad Elliott Stone, 2021-02-11 Rorty and the Prophetic interrogates and provides a constructive assessment to the American neo-pragmatist philosopher Richard Rorty's critiques of Jewish ethics Rorty dismisses the public applicability of Jewish moral reasoning because it is based on the will of God through divine revelation As a self-described secular philosopher it comes as no surprise that Rorty does not find public applicability within a divinely ordered Jewish ethic Rorty also rejects the French Jewish philosopher Emmanuel Levinas's ethics which is based upon the notion of infinite responsibility to the Face of the Other In Rorty's judgment Levinas's ethics is gawky awkward and unenlightening From a Rortyan perspective it seems that Jewish ethics simply can't win either it is either too dependent on the will of God or over-emphasizes the human Other The volume responds to Rorty's criticisms of Jewish ethics in three different ways first demonstrating agreements between Rorty and Jewish thinkers second offering reflective responses to Rorty's critiques of Judaism on the questions of Messianism prophecy and the relationship between politics and theology third taking on Rorty's seemingly unfair judgment that Levinas's ethics is gawky awkward and unenlightening While Rorty does not engage the prophetic tradition of Jewish thought in his essay *Glorious Hopes Failed Prophecies* he dismisses the possibility for prophetic reasoning because of its otherworldliness and its emphasis on predicting the future Rorty fails to attend to and recognize the complexity of prophetic reasoning and this book presents the complexity of the prophetic within Judaism Toward these ends and more Brad Elliott Stone and Jacob L. Goodson offer this book to scholars who contribute to the Jewish academy those within American Philosophy and those who think Richard Rorty's voice ought to remain in conversations about religion and conversations among the religious *Narrative Theology and the Hermeneutical Virtues* Jacob L. Goodson, 2015-01-21 In *Narrative Theology and the Hermeneutical Virtues* Humility Patience Prudence Jacob L. Goodson offers a philosophical analysis of the arguments and tendencies of Hans Frei's and Stanley Hauerwas's narrative theologies Narrative theology names a way of doing theology and thinking theologically that is part of a greater movement called the return to Scripture The return to Scripture movement makes a case for Scripture as the proper object of study within Christian theology philosophy of religion and religious ethics While thinkers within this movement agree that Scripture is the proper object of

study within philosophy and religious studies there is major disagreement over what the word narrative describes in narrative theology The Yale theologian Hans Frei argues that because Scripture is the proper object of study within Christian theology and the philosophy of religion Scripture must be the exclusive object of study To think theologically means paying as close attention as possible to the details of the biblical narratives in their literal sense Different from Frei's contentions the Christian ethicist at Duke University Stanley Hauerwas claims if Scripture is the proper object of study within Christian theology then the category of narrative teaches us that we ought to give our scholarly attention to the interpretations and performances of Scripture Hauerwas emphasizes the continuity between the biblical narratives and the traditions of the church This disagreement is best described as a hermeneutical one Frei thinks that the primary place where interpretation happens is in the text Hauerwas thinks that the primary place where interpretation occurs is in the community of interpreters In order to move beyond the dichotomy found between Frei's and Hauerwas work but to remain within the return to Scripture movement Goodson constructs three hermeneutical virtues humility patience and prudence These virtues help professors and scholars within Christian theology philosophy of religion and religious ethics maintain objectivity in their fields of study

Diversity in the Structure of Christian Reasoning Joshua Broggi, 2015-06-24 Diversity in the Structure of Christian Reasoning examines the effect of Christian commitments on rationality When Christians read scripture traditions supply concepts that shape what counts as normal good and true This book offers an account of how different communities produce divergent readings of the Bible It considers two examples from World Christianity first a Bakongo community in central Africa and then a Tamil bishop in southern India Each case displays a relation between tradition and reason that reconfigures the hermeneutical picture developed by Martin Heidegger and Hans Georg Gadamer To see what transpires when readers decide about a correct interpretation this book offers theologians and scholars of religion a fresh strategy that keeps in view the global character of modern Christianity

Diagrammatic Immanence Rocco Gangle, 2015-11-13 Rocco Gangle addresses the methodological questions raised by a commitment to immanence in terms of how diagrams may be used both as tools and as objects of philosophical investigation Gangle integrates insights from Spinoza Pierce and Deleuze in conjunction with the formal operations of category theory

Religion without Violence Peter Ochs, 2019-11-18 In 1992 Peter Ochs and a few Christian and Muslim colleagues began to gather small groups in and outside the classroom to practice close and attentive reading of the sacred Scriptures of the Jewish Muslim and Christian traditions The hope was that members of different religions could hear one another through the patient respectful reading of each other's Scripture Hearing each other participants might enter into interreligious relationships that might point a way to the peaceful engagement of religions especially those who after September 11 2001 too often found themselves at each other's throats It was a hope for religion without violence Nearly thirty years later this practice of study across difference has seeded an international movement now named Scriptural Reasoning The movement nurtures cooperative study among students scholars and

congregants devoted to distinctly different religious and value traditions In Religion without Violence Ochs reflects on the practical and philosophic lessons he has learned from hosting hundreds of Scriptural Reasoning engagements He introduces the scriptural pragmatism of Scriptural Reasoning He painstakingly recounts instances of successful scriptural reasoning and warns where and how it might fail He provides guidance on how to introduce and facilitate Scriptural Reasoning in the classroom He shows how reading out of the hearth of a faith can contribute to peace building across religions And drawing on the resources of rabbinic tradition Augustine and Charles Peirce he moves beyond practice to reflect on the implications of Scriptural Reasoning for discerning what kinds of reasoning best address and help repair societal crises like religion related violent conflict

Signs of Salvation Mark Randall James, Randi Rashkover, 2021-03-30 Peter Ochs is one of today's most influential Jewish philosophers and the cofounder of the practice of Scriptural Reasoning *Signs of Salvation* A Festschrift for Peter Ochs celebrates Ochs deep and wide ranging contributions to theology philosophy interreligious dialogue and conflict resolution studies The volume offers a rich and rigorous introduction to Peter Ochs extensive body of work and his philosophy of scriptural pragmatism In addition it presents engaging essays by Ochs colleagues friends and former students who reflect on the impact his work has had on their academic field and their own thought Contributors raise questions about the task of philosophy and the nature of reasoning the appropriate function and limits of the Western academy the practice of Scriptural Reasoning and its significance for interreligious dialogue and the future of modern theology With contributions from Robert Gibbs Nicholas Adams Daniel Weiss Jim Fodor Jacob Goodson Emily Filler Rumi Ahmed Basit Koshul Nauman Faizi Rachel Muers Eliot Wolfson Steven Kepnes Shaul Magid Mike Higton Tom Greggs Susannah Ticciati Stanley Hauerwas

The Philosopher's Playground Jacob L. Goodson, 2021-11-09 Since its inception in 1994 scriptural reasoning has been practiced by academics and religious laypeople on an international scale Scriptural reasoning is an activity or practice where Jews Christians and Muslims read and study together short passages from their traditionally sacred texts In this book Jacob L Goodson describes this activity by giving a tour through modern philosophy and showing how certain arguments ideas and theories from modern philosophers help make sense of this inter religious practice According to Goodson one of the most interesting aspects of the practice of scriptural reasoning concerns how it is driven by a tension between pragmatism and semiotics what he calls purposefulness pragmatism vs playfulness semiotics throughout the book Can inter religious practices only be playful in terms of an academic leisure activity Or do inter religious practices need to strive toward a greater end or even a higher purpose such as peace making among the Abrahamic faiths or inter religious friendships In each individual chapter Goodson explores this tension within the practice of scriptural reasoning Utilizing Immanuel Kant's deontology Goodson concludes by demonstrating how the practice of scriptural reasoning might work if only two rules are in place while participating in it
