, 1999     **One Town, One Team** Bruce Bertrand, 2023-01-26 When third-year football coach Sherm Blaser walked into his first team meeting for the upcoming season, he asked the team what their team goal should be for the upcoming season. The first hand that went up was that of senior defensive lineman Benten Hall, who suggested a winning season would be an appropriate team goal. A winning season might not seem like a lofty goal, but it is certainly a practical one. The previous year, the Kavemen did go 5-4 but finished sixth in conference play and did not make the playoffs. Benten's sophomore and freshman years, those varsity teams went a combined 7-12. In fact, since Benten and his fellow seniors on the team started the first grade eleven years ago, the Kuna football teams have a combined record of forty-three wins and sixty-two losses. The football program has not won a conference championship since 1998 and has won just one playoff game this century. Blaser was not seen as the savior of this program when he was hired two years before. Before coming to Kuna, his record was 15-21 at two previous schools. In his two previous years on the Kuna campus, his record was only 8-10. So how could this team, led by this coach, make it all the way to the state championship game? Fortunately for me, my son Ryan, who was starting his fourth season as part of Sherm Blaser's coaching staff and was living with me as he was finishing his master's program in psychology, so I had a front-row seat to this amazing season.     The Protestant Ethic and the Spirit of Sport Steven J.

Overman, 2011 Steven Overman explores the concordant values of the Protestant ethic, capitalism, and sport by applying German scholar Max Weber's seminal thesis. Weber demonstrated a relationship between the Protestant ethic and a form of economic behavior he labeled the "calling" of capitalism.     The Physical Educator, 1940     **Chums**, 1892     **The Price** Armen Keteyian, John Talty, 2024-08-27 An explosive tell-all book.
