Content - The Atomic Particle of Marketing Rebecca Lieb, 2017-06-03 DISTINGUISHED FAVOURITE NYC Big Book Awards 2017 Content in all its forms is the single most critical element of any marketing campaign Finding a successful equilibrium between content marketing and content strategy is difficult but essential Content The Atomic Particle of Marketing goes beyond superficial descriptions of how to produce engaging social media content to offer the results of many years of deep quantitative research and hours of interviews with senior marketers at some of the world's leading brands Written by a recognized industry thought leader Content The Atomic Particle of Marketing explores how content functions in the broader framework of all marketing as well as organizational concerns and IT decision making It demonstrates the value content brings not only to owned media initiatives such as a company website or blog but also the essential role content plays in all other marketing initiatives from social media to advertising to offline channels It will enable readers to make the organizational staffing tools and process decisions necessary to get content up and running across divisions and organizational silos Deeply researched and insightful Content The Atomic Particle of Marketing is quite simply the definitive research based guide to content marketing *My Best Friend, the Atlantic Ocean, and Other Great Bodies Standing Between Me and My Life with Giulio* Jane Harrington, 2013-08-01 Who knew that non boy crazy jock Brady would return from Europe with an Italian boyfriend In this sequel to Four Things My Geeky Jock of a Best Friend Must Do in Europe Delia launches a sneaky plan to grab Giulio the very moment he and Brady break up which according to all Delia's research should be in about 41 days *Athletes Breaking Bad* John C. Lamothe, Donna J. Barbie, 2020-07-15 At their basic level sporting events are about numbers wins and losses percentages and points shots and saves clocks and countdowns However sports narratives quickly leave the realm of statistics The stories we tell and retell sometimes for decades make sports dramatic and compelling Just like any great drama sports imply conflict not just battles on the field of play but clashes of personalities goals and strategies In telling these stories we create heroes but we also create villains This book is about the latter those players who transgress norms and expectations and who we label the bad boys of sports Using a variety of approaches these 13 new essays examine the cultural social and rhetorical implications of sports villainy Each chapter focuses on a different athlete and sport questioning issues such as how notorious sports figures are defined to be bad within particular sports and within the larger culture the role media play in creating antiheroes fan reactions when players cross boundaries and how those boundaries shift depending on the athlete's gender sexuality and race [Principal Leadership for Racial Equity](#) Candace Raskin, Melissa Krull, Antonia Felix, 2021-03-13 Enhance your capacity for antiracist leadership The COVID 19 pandemic has illuminated deep seated structural inequities in our schools and across society More than ever education leaders are being challenged to take action to disrupt the institutional racism that undergirds many of our longstanding policies and practices Our students are challenging us to step up and be antiracists who commit to the uncompromising

belief all children can learn and deserve an exceptional education Based on 10 years of work leading the Institute for Courageous Principal Leadership this book guides leaders to expanding their racial consciousness through self reflection and provides the tools they need to counter implicit bias and respond to resistance Grounded in research but written in practitioner friendly language this book Focuses on systemic leadership and institutional failures as the source of predictable student outcomes Leverages research and theory to create a process for principals to build racially equitable practices Navigates the politics of leadership without compromising student achievement The practical lessons and strategies in this book will equip you with the skills to implement the leadership and actions that must be taken to confront the reality of systemic racism in education and transform schools into learning environments with a student centered commitment to high achievement for every learner Standing Up for Illinois ...
