The March out Booklet

Mervin D. Mitchel, 2019-05-15. **The March Out Booklet: How To Pass Your March Out 100% Guaranteed** was written to provide serving armed forces personnel with a step-by-step guide to follow when doing march out cleaning in order to achieve the much desired pass result as a predictable outcome every time. After having successfully completed and attended over a hundred march outs, Mervin Mitchel wanted to make a greater contribution to the wider military community to help alleviate the amount of stress and anxiety that armed forces personnel experience when faced with the handing over of their military quarters. Too often, military tenants find themselves in a position of complete bewilderment and uncertainty about what to do and how to do it with march outs. This booklet removes all the barriers, spills all the secrets, and tells you in detail what the housing officers look for during march out inspections to determine a pass or fail. **The March Out Booklet** gives you all the tools and arms you with the necessary information to go into your march out with complete confidence and the full expectation of passing every time. It is the author's sincere desire for every armed forces personnel to pass their march out, and is the sole purpose for writing this book. Nowhere else would you find recorded material on this subject that will contribute to your march out success, as this book will. Mervin Mitchel has committed to donating 10 percent of the proceeds from this book to Help4Heroes, a charity that is dedicated to rehabilitate injured serving personnel and veterans, which he has quietly supported financially over a number of years.
