Data Profiling and Insurance Law Brendan McGurk KC, 2019-03-21 The winner of the 2020 British Insurance Law Association Book Prize this timely expertly written book looks at the legal impact that the use of Big Data will have on the provision and substantive law of insurance Insurance companies are set to become some of the biggest consumers of big data which will enable them to profile prospective individual insureds at an increasingly granular level More particularly the book explores how i insurers gain access to information relevant to assessing risk and or the pricing of premiums ii the impact which that increased information will have on substantive insurance law and in particular duties of good faith disclosure and fair presentation of risk and iii the impact that insurers new knowledge may have on individual and group access to insurance This raises several consequential legal questions i To what extent is the use of big data analytics to profile risk compatible at least in the EU with the General Data Protection Regulation ii Does insurers ability to parse vast quantities of individual data about insureds invert the information asymmetry

that has historically existed between insured and insurer such as to breathe life into insurers duty of good faith disclosure And iii by what means might legal challenges be brought against insurers both in relation to the use of big data and the consequences it may have on access to cover Written by a leading expert in the field this book will both stimulate further debate and operate as a reference text for academics and practitioners who are faced with emerging legal problems arising from the increasing opportunities that big data offers to the insurance industry Stores circular Army and navy co-operative society, ltd,1891 **Sound & Vision** ,2006 **Telecommunications Directory** ,2007 *Kiplinger's Personal Finance Magazine* ,2009 Canadian Homes and Gardens ,1953 **Bloomington/Spencer White & Yellow Pages** ,2002 Bloomington Ellettsville Gosport Lake Monroe Nashville Patricksburg Poland Smithville Spencer Stanford Cloverdale Ninevah Trafalgar White pages coverage only for Morgantown **Mortgage Banking** ,2001 Chain Store Age ,1954 *Older, Richer, Fitter* David Metz,Michael Underwood,2005 As Britain s population continues to age so the consumer market will also have to evolve in a similar manner This title looks at aspects such as demographics mature marketing and addressing the special needs of ageing in order to provide a clear definition of market requirements in coming years Super Market Merchandising ,1963 *Funworld* ,2009 Electronic Commerce ,2006 Architecture Today ,2006 **Giftwares** ,1929 *Microtimes* ,1991-05 Parliamentary Debates (Hansard).
