Ideas Don't Die. Companies Do. Hari Abburi, 2025-07-04 Rethink ideas as the real value to the future of your business in a technology world where knowledge is increasingly a commodity In *Ideas Don't Die Companies Do* renowned voice on disruptive agility and executive Hari Abburi delivers an insightful framework for leaders to future proof their companies by creating an idea obsessed enterprise In the book you'll learn why ideas are more important than customers to disrupt the industry and marketplace The author explains how to distinguish between ideas that are truly original and those that require strategic execution to differentiate them from other choices on the market He offers key insights into how to glean information from other companies who have worked with the idea and how to apply that knowledge to your firm's own idea Inside the book Explanations of the idea moat that creates exponential value at one company as opposed to another that uses similar ideas Compelling answers to questions about idea timing and why ideas that failed a few years ago can be successful today How to shift your company's focus from thinking customers to thinking ideas Perfect for managers executives entrepreneurs founders and other business leaders *Ideas Don't Die Companies Do* will also benefit product team leaders and other innovators with a desire to bring new and exciting ideas to the market

The Innovator's Hypothesis Michael Schrage, 2014-09-12 Achieving faster better cheaper and more creative innovation outcomes with the 5x5 framework 5 people 5 days 5 experiments 5 000 and 5 weeks What is the best way for a company to innovate Advice recommending innovation vacations and the luxury of failure may be wonderful for organizations with time to spend and money to waste The Innovator's Hypothesis addresses the innovation priorities of companies that live in the real world of limits Michael Schrage

advocates a cultural and strategic shift small teams collaboratively and competitively crafting business experiments that make top management sit up and take notice He introduces the 5x5 framework giving diverse teams of five people up to five days to come up with portfolios of five business experiments costing no more than 5 000 each and taking no longer than five weeks to run Successful 5x5s Schrage shows make people more effective innovators and more effective innovators mean more effective innovations Making Great Strategy Glenn R. Carroll,Jesper B. Sørensen,2021-01-26 Making strategy requires undertaking major often irreversible decisions aimed at long term success in an uncertain future All leaders must formulate a clear course of action yet many lack confidence in their ability to think systematically about their strategy They struggle to apply the abstract lessons offered by conventional approaches to strategic analysis to their unique contexts Making Great Strategy resolves these challenges with a straightforward readily applicable framework Jesper B S rensen and Glenn R Carroll show that one factor underlies all sustainably successful strategies a logically coherent argument that connects resources capabilities and environmental conditions to desired outcomes They introduce a system for formulating and managing strategy through a set of three core activities visualization formalization and logic and constructive argumentation These activities can be implemented in any organization and are illustrated through examples and case studies from well known companies such as Apple Walmart and The Economist This book shows that while great strategic thinking is hard it is not a mystery Widely applicable and relevant for managers and leaders at all levels especially executive teams charged with setting the course of their organizations it is essential reading for anyone faced with practical problems of strategic management Business and Society Cynthia E.
