Movie Roadshows Kim R. Holston, 2013-01-01 This work examines a film distribution system paralleling the rise of early features and persisting until 1972 when *Man of La Mancha* was the final roadshow to require reserved seating. Synonymous with Hollywood's star-studded premieres, roadshows were longer and cost more than regular features, making the experience similar to attending the legitimate theater. Roadshows often epic in subject matter, played selected theaters usually only one in major urban centers until demand decreased. De rigueur by the 1960s were musical overtures, intermissions, entre acte and exit music, and souvenir programs for sale in the lobby. Throughout the text are recollections by people who attended roadshows, including actor John Kerr and actresses Barbara Eden and Ingrid Pitt. The focus is on roadshows released in the United States, but an appendix identifies international roadshows and films forecast but not released as roadshows. Included are plots, contemporary critical reaction, premiere dates, production background, and methods of promotion, i.e. the ballyhoo.

Focus On: 100 Most Popular 2010s Adventure Films Wikipedia contributors, *Box Office*, 1958 *Willing's Press Guide and Advertisers' Directory and Handbook*, 1891 **Copyright Vigilantes** Ezra Claverie, 2024-05-28 Copyright Vigilantes Intellectual Property and the Hollywood Superhero explains superhero blockbusters as allegories of intellectual property relations. In movies based on characters owned by the comics duopoly of DC and Marvel, no narrative recurs more often than a villain's attempt to copy the superhero's unique powers. In this volume, author Ezra Claverie explains this fixation as a symptom of the film's mode of production. Since the 1930s, the dominant American comics publishers have treated the creations of artists and writers as work for hire, such that stories and characters become company property. Thus, publishers avoided sharing the profits both from magazine sales and from licensing characters into other media. For decades, creators have challenged this regime, demanding either shares of profits or outright ownership of their creations. Now that the duopoly rents licenses and adapts superheroes for increasingly expensive franchises and for growing international audiences, any challenge to intellectual property relations threatens a production regime worth billions of dollars. Duopoly movies therefore present any attempt to break the superhero's monopoly on their powers as the scheme of terrorists, mad scientists, or space Nazis assuaging studio anxieties and revealing the fears of those who benefit most from the real-world ownership of superheroes. Weaving together legal analysis, Marxist political economy, and close readings of movies, Copyright Vigilantes explains the preoccupations of Hollywood's leading genre. **New York Amusement Gazette**, 1887 *The Sketch*, 1895

Railway Age, 1934 *Truth*, 1889 *Railway Journal ...*, 1898 **Montana - Insider's Guides** Michael McCoy, 2005-05 From the woolly wonders of the Big Montana Sheep Drive to the historic Little Bighorn Battlefield, Montana offers many choices to travelers who wish to discover Big Sky Country. **The West Shore**, 1890 **Mobil Travel Guide**, 1996 **The Saturday Review of Politics, Literature, Science and Art**, 1893 **The Review**, 1880 *National Car and Locomotive Builder*, 1888 **Life**, 1882 *Dollarwise Guide to New England*, 1984-85 George McDonald, 1984-04
