You don t need to be Ivy League educated have money be creative or even have an idea to get rich You just need to be willing to break the rules At nineteen I founded a software company with 119 in my bank account Five years later it was valued at 10 5 million I don t consider myself exceptionally brilliant I just realized something few people know You don t need lots of money or an original idea to get really rich Now I make more than 100 000 in passive income every month while also running my own private equity firm and hosting The Top Entrepreneurs podcast which has more than 10 million downloads This book

will show you how I went from college dropout to member of the New Rich And I m holding nothing back You ll see my tax returns my profit and loss statements my email negotiations when buying and selling companies It s time to forget your grandfather s advice I ll teach you how to be a modern opportunist investor entrepreneur or side hustler by breaking these four golden rules of the old guard 1 Focus on one skill Wrong Don t cultivate one great skill to get ahead In today s business world success goes to the multitaskers 2 Be unique Wrong The way to get rich is not by launching a new idea but by aggressively copying others and then adding your own twist 3 Focus on one goal Wrong Focus instead on creating a system to produce the outcome you want not just once but over and over again 4 Appeal to the masses Wrong The masses are broke 4k average net worth in America Let others cut a trail through the jungle so you can peacefully walk in and capitalize on their hard work By rejecting these defunct rules and following my unconventional path you can copy other people s ideas shamelessly bootstrap a start up with almost no funding invest in small local businesses for huge payoffs and reap all the benefits
