Cinemas and Cinema-Going in the United Kingdom: Decades of Decline, 1945-65 Sam Manning, 2020-03-31

Cinema going was the most popular commercial leisure activity in the first half of the twentieth century peaking in 1946 with 1.6 billion recorded admissions. Though going to the pictures remained a popular pastime, the transition to peacetime altered citizens' leisure habits. During the 1950s, increased affluence, the growth of television ownership, and the diversification of leisure led to rapid declines in attendance. Cinema attendances fell in all regions, but the speed, nature, and extent of decline varied widely across the United Kingdom. By linking national developments to detailed case studies of Belfast and Sheffield, this book adds nuance to our understanding of regional variations in film exhibition, audience habits, and cinema-going experiences during a period of profound social and cultural change. Drawing on a wide range of quantitative and qualitative sources, *Cinema and Cinema-Going* conveys the diverse nature of this important industry and the significance of place as a determinant of film attendance in post-war Britain.

Media Management and Live Experience Alex Connock, 2024-04-03

Global and authoritative, this textbook maps modern live experience media: the categories that thrive on real-time engagement and human connection, even in the age of synthetic content. AI and the Metaverse, sports and sports betting, festivals, comedy, concerts, tours, and theme parks are covered, plus theatre, trade events, conventions, museums, and galleries, and immersive media. Live media events included are Burning Man, Glastonbury, the Indian Premier League, the English Premier League, Olympics, NBA, and Bundesliga, plus sell-out Taylor Swift tours, the World Cup, Super Bowl, Ryder Cup, and Formula One. Business models in this media category start with ticketing and advertising, now amplified with e-commerce, affiliate marketing, subscription, and gambling transactions. Deep dives ask: Why is Saudi Arabia investing billions into golf and football? Why is stand-up comedy big in Nigeria? How are Broadway and the West End evolving? What do immersive technologies like Abba Voyage and the MSG Sphere offer for the future? With class questions, a quiz, summaries, and slides for each chapter, this is a guide and course structure for anyone at university level or in industry studying the media, music, entertainment, events, exhibitions, sports, social media, or gambling industries.
