Self-help Samuel Smiles, 1890 **Dickens's Class Consciousness: A Marginal View** P. Morris, 2016-06-08 Dickens's social concern has always been recognized as important to his fiction but this is the first study to focus specifically upon the representation of class consciousness in his novels Dr Morris's detailed research on influential Victorian journals demonstrates the inherently dialogic quality of Dickens's writing the continuous interaction between the language of his texts and the language of class articulated in the era This re articulation of the political contemporaneity of the novels reveals the marginal perspective they contain and offers new insight into the developing rhetorics of competitive individualism class interpellation and control of urban discontent *The Self-Care Handbook* Gill Hasson, 2020-02-18 Learn how to improve and maintain your health and wellbeing with a practical and achievable self care guide Are you looking after yourself For so for many of us with so much to do and think about self care taking care of our mental emotional and physical health and wellbeing often falls by the wayside The Self Care Handbook equips you to make positive helpful choices for incorporating self care into your life It explains how to take responsibility for your own wellbeing and provides ideas and practical advice on how you can better look after yourself Bestselling author Gill Hasson shows you how to develop the mindset routines and habits that can protect maintain and improve your health and wellbeing The Handbook presents straightforward approaches that can help you feel good about yourself manage stress and anxiety achieve a work life balance increase your physical health and much more This book will help you Encourage a positive healthy relationship with yourself and strengthen your wellbeing Understand and implement the factors that can protect maintain and improve your mental and physical health and wellbeing Manage overwhelm and simplify a busy life Know how best to relax switch off and enjoy yourself Look after yourself when you're going through difficulties setbacks or a crisis The Self Care Handbook is an important resource for anyone wishing to integrate healthy behaviours and activities and look after their physical and mental wellbeing

Victorian Literature and the Victorian State Lauren M. E. Goodlad, 2004-12-07 Studies of Victorian governance have been profoundly influenced by Discipline and Punish Michel Foucault's groundbreaking genealogy of modern power Yet according to Lauren Goodlad Foucault's analysis is better suited to the history of the Continent than to nineteenth century Britain with its decentralized voluntarist institutional culture and passionate disdain for state interference Focusing on a wide range of Victorian writing from literary figures such as Charles Dickens George Gissing Harriet Martineau J S Mill

Anthony Trollope and H G Wells to prominent social reformers such as Edwin Chadwick Thomas Chalmers Sir James Kay Shuttleworth and Beatrice Webb Goodlad shows that Foucault's later essays on liberalism and governmentality provide better critical tools for understanding the nineteenth century British state Victorian Literature and the Victorian State delves into contemporary debates over sanitary education and civil service reform the Poor Laws and the century long attempt to substitute organized charity for state services Goodlad's readings elucidate the distinctive quandary of Victorian Britain and indeed any modern society conceived in liberal terms the elusive quest for a pastoral agency that is rational all embracing and effective but also anti bureaucratic personalized and liberatory In this study impressively grounded in literary criticism social history and political theory Goodlad offers a timely post Foucauldian account of Victorian governance that speaks to the resurgent neoliberalism of our own day

The English Novel June Schlueter, 1976 This volume one of a series is we believe the most nearly complete bibliography of criticism of the twentieth century British novel yet published Yet in trying to make the volume as definitive as possible we have also had the onerous task of having to keep the volume within manageable limits It is therefore a selective bibliography with citations from 1900 through the end of 1975 Our choices were necessarily arbitrary for reasons of both space and relevance but we believe all in all that we have made an intelligent compilation of secondary criticism of the modern English novel

Nineteenth-century Literature Criticism Laurie Lanzen Harris, 1981 Excerpts from criticism of the works of novelists poets playwrights short story writers and other creative writers who lived between 1800 and 1900 from the first published critical appraisals to current evaluations
